Cuckolding Path Women Resource Couples:

Cuckolding Caroline James,2012-10-13 How do I get my spouse interested in cuckolding Cuckolding for those unfamiliar with the concept is a lifestyle where the man is monogamous and the woman is free to have sex with whomever she likes It is perhaps a matriarchal woman centric concept and it has become surprisingly popular with men as well as women Cuckolding is said to be the fastest growing alternative lifestyle and whether couples incorporate it as fantasy role play or as reality it appeals to women and men on primal intellectual and sociopolitical levels It has been called the Intellectual Fetish This book is intended to give men and women a look at the nuances of this provocative lifestyle which might just be the ultimate woman s sexual and romantic fantasy

Is My Husband Gay, Straight, or Bi? Joe Kort,2014-09-11 Jennifer can t believe it Just married and pregnant she discovers that her husband has been meeting Brad for sex When confronted Tom doesn t deny it but he insists it s just a thing and he isn t gay Elsewhere John s wife Karen discovers that her husband likes to watch gay porn John doesn t understand his wife s reaction Why does she care what he watches if he s not unfaithful In couple s therapy Karen and Jennifer raise the same questions Does this mean my husband is gay Can my marriage survive These and other stories illustrate the difficulties inherent when a wife or girlfriend finds out her man has had or wants to have sexual contact with other men But many times the man is not gay or even bisexual Of course some men with gay sexual interests are gay men in a process of self discovery they are coming out These desires may only reflect a different side of a man s sexuality or some response to childhood trauma or experiences they have not fully processed Here Joe Kort and Alexander P Morgan make the distinction between gay men and straight men with gay interests clearer to women who want to know how they can overcome these revelations The authors explain the many reasons why straight men may be drawn to gay sex how to tell whether a man is gay straight or bisexual and what the various options are for these couples who can often go on to have very fulfilling marriages Is My Husband Gay Straight or Bi is intended to help couples understand how male sexuality can express itself in ways that may be difficult to understand Many marriages have been hurriedly terminated when couples and their therapists have lacked the information they needed to understand their current situations This book provides the clarity describes the choices and in many cases offers hope for relationships and marriages that have been brushed off as doomed
