Dicks, 2012 In this book Ian Dicks informs the reader about the ways in which the Yawo of Malawi view the world The Yawo are predominantly Muslim yet many maintain strong links with their traditional religion They are a largely oral society teaching and reinforcing their beliefs and practices using oral literature which includes myths proverbs proverbial stories songs of advice and prayers at various stages of the life cycle particularly during initiation events Ian Dicks describes in detail the Yawo's material world customs beliefs and rituals and juxtaposes these with Yawo oral literature He then examines them under six worldview categories the result being a rich description of the way in which the Yawo see the world This book is not an armchair study but has the feel of being written by an eyewitness by someone who has had first hand experience of the subject and who seeks to describe this in a manner which is sensitive to the Yawo and their culture **The Black Church and Hip Hop Culture** Emmett G. Price III, 2011-11-10 Throughout the 1950s and 1960s the Black Church stood as the stronghold of the Black Community fighting for equality and economic self sufficiency and challenging its body to be self determined and self aware Hip Hop Culture grew from disenfranchised urban youth who

felt that they had no support system or resources Impassioned with the same urgent desires for survival and hope that their parents and grandparents had carried these youth forged their way from the bottom of America s belly one rhyme at a time For many young people Hip Hop Culture is a supplement or even an alternative to the weekly dose of Sunday morning faith In this collection of provocative essays leading thinkers preachers and scholars from around the country confront both the Black Church and the Hip Hop Generation to realize their shared responsibilities to one another and the greater society Arranged into three sections this volume addresses key issues in the debate between two of the most significant institutions of Black Culture The first part From Civil Rights to Hip Hop explores the transition from one generation to another through the transmission or lack thereof of legacy and heritage Part II Hip Hop Culture and the Black Church in Dialogue explores the numerous ways in which the conversation is already occurring from sermons to theoretical examinations and spiritual ponderings Part III Gospel Rap Holy Hip Hop and the Hip Hop Matrix clarifies the perspectives and insights of practitioners scholars and activists who explore various expressions of faith and the diversity of locations where these expressions take place In The Black Church and Hip Hop Culture pastors ministers theologians educators and laypersons wrestle with the duties of providing timely commentary critical analysis and in some cases practical strategies toward forgiveness healing restoration and reconciliation With inspiring reflections and empowering discourse this collection demonstrates why and how the Black Church must re engage in the lives of those who comprise the Hip Hop Generation The Ancient Alien Question, 10th Anniversary Edition Philip Coppens,2021-03 Analyzing historical and archaeological evidence Philip Coppens demonstrates that there is substantial proof that our ancestors were far more technologically advanced than in currently accepted and that certain cultures interacted with non human intelligences Our ancestors were clearly not alone Have we been visited by extraterrestrial beings Did these ancient aliens contribute to the birth of human civilization Do our ancient monuments contain evidence of their presence Fifty years after Erich von D niken posed these questions in Chariots of the Gods Coppens provides clear concise answers to the great historical enigmas in an accessible readable format This new edition features a preface by Kathleen McGowan along with a new afterword that is the last essay Philip Coppens wrote Book jacket Principles of Management: Text and Cases Dipak Bhattacharya,2012 Principles of Management Text and Cases introduces students to the fundamentals of management through a balanced blend of theory and practice The opening vignettes and cases depict real world situations and problems that managers face while highlighting the management practices of successful Indian and foreign companies Samples of a leave policy a strategy and action plan for human resource management an application blank and a code of ethics are appended to a few chapters to further illustrate the way organizations function In addition to the concepts the book also delves into the various academic perspectives that have evolved over time to provide the readers an integrated view of different approaches to management **Cultural Anthropology** William A.
