Culture And Technology A Primer Second Edition:

Culture + Technology Jennifer Daryl Slack, John Macgregor Wise, 2005 Culture Technology is an essential guide to the fascinating history of these debates and offers new perspectives that give readers the tools they need to make informed decisions about the role of technology in our lives In clear and compelling language Slack and Wise untangle and expose the cultural assumptions that underlie our thinking about technology stories so deeply held we often don't recognize their influence The book considers the perceived inevitability of technological advance and our myths about progress It also looks at sources of resistance to these stories from the Luddites of the 19th century to the Unabomber in our own time Slack and Wise help readers sift through the confusions about culture and technology that arise in their own everyday lives BOOK JACKET
