Wolf s Haven Tamara would risk her life to gain freedom She s finally built up the courage to escape from a world of abuse by the hands of man who promised her the world One night she makes a break for it but her plans backfire She begins to believe that she was never meant to be happy When all hope of freedom fades she stumbles across a wolf that brings her to safety She learns to trust the wolf but has yet to trust the man Devin potential future leader of the Caedmon Pack returns to the foothills of his Virginia home after five long years as a lone wolf Rivals within the circle challenge him and threaten to strip him of his true birthright Being bound to lead the pack was not something Devin had planned for his life but letting his people fall prey to turmoil under the rule of his cousin Darius is out of the question The night of Devin s rise to Alpha leader is approaching Despite opposition he s gained an impressive following That is until he brings a human among the pack Tamara can t deny the attraction she feels toward Devin The Alpha leader to be simply cannot resist Tamara s lure When they are together their tribulations take the backburner Their desire for one another grows as they consummate their passion in wolf s haven Wolf s Promise Selene is thrust into the aftermath of Caedmon pack rivalry when determination to help a friend leads her to the foothills of the Virginia mountains She doesn t anticipate that her generosity would earn her a place behind bars and at the mercy of man who saves her from a sentence worse than death Soon she discovers that Nick is far from ordinary Under the facade of his commitment to protect her from evil hides a secret that shatters her faith in him Nick knew his life would be forever changed when Devin the new Caedmon leader honors him with the title of Second in Command With this responsibility he s introduced to a web of pack politics and threats Darius the banished wolf who lost the most coveted title within the pack turns out to be a sore loser and he demands either complete dominance or total destruction Someone must stop him before he tears down the unity that has held the pack together for decades In the midst of it all he meets a tempting brazen beauty Selene is not just any woman and the wolf inside reminds Nick of this fact every time she s in his presence She awakens raging passion within him and he desires her like no other Nick s past misfortunes has taught him many things For one never trust a woman with his heart True love awaits in the path of danger but will Selene and Nick let the chaos destroy their bond Wolf s Touch Jayson Truman is captivated by his boss s daughter He finds himself fantasizing about the many ways he d like to have his way with Arianna Klein Despite Mr Klein s strong connections to the Caedmon community he and Jayson have never seen eye to eye on any matter Lusting after his daughter only adds fuel to the flames Their long standing business relationship begins to unravel Secrets are exposed and loyalty is tested Jayson is warned to stay away from Arianna Cutting family ties seems like Arianna s only recourse to regaining control of her life Yet steering clear of her father is easier said than done especially when she holds the key to his business s success or failure And as if her life weren t dictated enough by men with oversized egos add Jayson to the equation and his many attempts to lay claim to her If he thinks she s going to swoon at his feet like a sex crazed

maniac he's got another thing coming But Arianna is not the only one with a key Jayson may very well be the pawn she needs to get her out of the mess that her father has built Jayson will put his life on the line for Arianna but will he gain her love and acceptance in return     Schwann ,1989     *Bowker's Directory of Audiocassettes for Children* ,1998     *The Elementary School Library Collection, Phases 1-2-3* ,1998     **Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v** New York Public Library.
