 We are going virtual in more and more areas of our lives from shopping to education filing systems to love affairs How can
 we assess the relationship between technology and culture when culture is so imbued with technology This clear concise and
 readable text aims to offer the student a one stop guide through this complex and slippery terrain Introducing a wealth of
 theoretical perspectives in a lucid and engaging style and covering a range of topical challenging and intriguing examples
 from cyborgs to digital art it will be an essential text for everyone wanting to make sense of crucial forces of change on
 contemporary culture Communication Matters Jeremy Packer, Stephen B. Crofts Wiley, 2013-06-17 Communication has
 often been understood as a realm of immaterial insubstantial phenomena images messages thoughts languages cultures and
 ideologies mediating our embodied experience of the concrete world Communication Matters challenges this view
 assembling leading scholars in the fields of Communication Rhetoric and English to focus on the materiality of
 communication Building on the work of materialist theorists such as Gilles Deleuze Michel Foucault Friedrich Kittler and
 Henri Lefebvre the essays collected here examine the materiality of discourse itself and the constitutive force of
 communication in the production of the real Communication Matters presents original work that rethinks communication as
 material and situates materialist approaches to communication within the broader materiality turn emerging in the
 humanities and social sciences This collection will be of interest to researchers and postgraduate students in Media
 Communication Studies and Rhetoric The book includes images of the digital media installations of Francesca Talenti
 Professor Department of Communication Studies University of North Carolina at Chapel Hill
