Ministry on Mission Jared Kennedy,2022-02-23 Practical Strategies for Gospel Centered Children s Ministry When building a children s ministry at a church there is so much to consider Which curriculum should we use How many volunteers do we need How do we keep parents in the loop And that s before we run into stalled check in computers missing activity sheets and floors that need to be vacuumed While all of the tasks of children s ministry are important leaders can get easily distracted with the everyday work of doing ministry and lose sight of the main focus the gospel Writing from personal ministry experience Jared Kennedy shares a four fold approach for gospel centered missional children s ministry hospitality teaching discipleship and mission This practical resource covers a variety of topics ranging from creating child protection policies to putting together lesson plans to catechism helpful for children s ministers and volunteers alike as they disciple children with the powerful message of the gospel Applicable Includes questions for reflection and evaluation Helps Leaders Disciple the Next Generation Features advice for sending kids and their families on mission Ideal for Nursery 5th Grade Teachers and Leaders A practical and helpful resource for children s ministries Published in Conjunction with the Gospel Coalition TGC What Happened to Johnnie Jordan? Jennifer Toth,2007-09-11 On an icy night five years ago Johnnie Jordan just fourteen years old brutally murdered his elderly foster care mother leaving the state of Ohio shocked and outraged He could not tell police why he did it or even how it made him feel all he knew was that something inside him made him kill At the time few people predicted the swift emergence of a class of young so called super predators criminals like Johnnie who injure and kill without conscience personified to the nation by the Littleton Colorado tragedy in 1999 In What Happened to Johnnie Jordan acclaimed journalist Jennifer Toth author of The Mole People and Orphans of the Living once again takes a look at the people in our society whom we so often discard and altogether ignore As Toth investigates Johnnie s crime and life she unravels the mysteries of a child murderer unable to identify his emotions even after they converge in acts of fury and rage In the course of her research Johnnie grows dangerously into a young man who will probably kill again he says though I don t want to Yet he also demonstrates great kindness and caring when treated as more than just a case number when treated as a human Through Johnnie s harrowing story Toth examines how some children manage to overcome tragic beginnings while others turn their pain anger and loss on innocents More than a beautifully written narrative of youth gone wrong this is the story of a child welfare system so corrupted by bureaucracy and overwhelmed with cases that many children entrusted to its care receive none at all It is also the story of a Midwestern town struggling with blame and anger unable to reconcile the damage done by so young an offender From Johnnie s early years on the streets to his controversial trial and ultimate conviction What Happened to Johnnie Jordan is a seminal work on youth violence and how we as a society

can work to curtail it Ultimately Toth ponders one of the most difficult and important questions on youth violence If we can t control the way children are raised how can we prevent them from destroying other lives as well **Continent** ,1915
