Cuba The Disaster Of Castros Revolution

Miguel A. Faria, Jr.

Cuba The Disaster Of Castros Revolution:

CUBA: The Disaster of Castro's Revolution Andres J. Solares, 2010-05-27 This book analyzes the current situation existing in Cuba and describes in detail the real disaster caused in every aspect of Cuban life by the so called revolution of Fidel Castro including how it has affected the different components of Cuban society The author gives a detailed summary of the main indicators of the Cuban economy and society before 1959 when Fidel Castro took power indicating how they compared favorably at that time with other countries of the world including many which are considered part of the developed world in our days The book demystifies numerous aspects of Castro s propaganda that his followers have considered as great achievements of his government and puts them in perspective in regard to what Cuba could have had nowadays if it had been ruled by democratically elected governments The book profusely documents the system of corruption and privilege established in the island and analyzes the obscure role of Castro in a number of important events related to the United States including references to his links with drug trafficking money laundering and the promotion of terrorist activities among other criminal activities One of the aspects the book describes in more detail is the lack of political freedom and the repression of independent thinking and free expression existing in the island which is part of the overall control on everybody s lives established by Castro which is implemented by a gigantic machinery of terror and surveillance The book describes the role of Cuban military and intelligence in numerous important events of world politics during the past five decades including their role in Africa Latin America and other regions of the world and it includes some questioning about the possible role of Castro in the assassination of President John F Kennedy It considers Castro s interpretation of foreign policy and the way he has disregarded all norms of international behavior The book also discusses the case of the enormous debt accumulated by Castro s government and how many of these resources have been deviated to well camouflaged foreign accounts and investments by Castro and some of the top people around him One of the interesting things about this book is the analysis it makes about the situation of youth women and blacks within the present Cuban society and the detailed description about how the people in general live and how this has evolved under Castro s tyranny It also includes an analysis of the exiled Cuban community Andres Solares discusses the real facts behind Castro s long tenure of power and shows the contradictions between what he and his supporters say and the crude reality of what happens in Cuba His book also enters in details about the degrees of decomposition existing at all levels of the political establishment of this obsolete communist regime The book describes the enormous damage caused by Castro s policies to the environment of the island and the state of destruction of all the main networks of services as well as the stagnant conditions of the economy It includes the author s views on the different possible scenarios for Cuban political future once Castro and his brother one way or another are no longer able to control Cuba This book is a strong denouncement of the longest dictatorship that has existed in America and it serves as an eye opener for all those who ignore the crude reality of what happens in that beautiful country It is also a moral message of

hope for a better future for the Cuban people Mr Solares has used his professional and personal experience together with his direct knowledge of the Cuban society and economy to give us a very interesting account of the situation in his country which will serve those who read it to comprehend better what we can expect there Disaster Preparedness and Climate Change in Cuba Anna Clayfield, Emily J. Kirk, Isabel Story, 2021-08-19 As a result of climate change ocean temperatures are warming and sea levels are rising Natural disasters have been increasing in frequency and ferocity Yet over six decades Cuba has developed a world leading model for disaster preparedness and risk reduction Disaster Preparedness and Climate Change in Cuba Management and Adaptation discusses the island's ongoing resilience against the impacts of climate change Its commitment to disaster preparedness and management are lauded by international bodies such as the United Nations and World Health Organization and by governments from across the globe Comprised of research from leading scholars policy makers and activists this comprehensive multidisciplinary analysis of Cuba's model explores why Cuba's approach to emergency disaster response is such a success and the aspects that make it so distinct while also informing readers about the much needed improvement of international approaches and policies Scholars of communication environmental studies and Latin American studies will find this book particularly interesting Cuba Jorge Salazar-Carrillo, Andro Nodarse-Leon, 2017-09-29 This book is a study of Cuba's economic development under communism over the last fifty five years The authors find that Cuba's socioeconomic development has gone backward since the Cuban Revolution in 1959 The authors conclude that Fidel Castro's revolution has been an economic disaster for Cuba The book first outlines Cuba's economic position prior to the revolution It reviews Cuba's rankings with respect to Gross Domestic Product GDP per capita in the 1950s and examines the strength of pre Castro Cuba's foreign reserves and the health of its monetary system It also presents pre Castro Cuba's investments in health care and education and documents the island's development potential in the 1950s The last few chapters describe the precipitous decline in all of these areas of Cuba's economy under Castro Despite the socioeconomic catastrophe of the Castro years the authors envision a post Castro Cuba where this book can provide a benchmark to measure the developmental success that the Cuban work ethic and entrepreneurial spirit can generate in a free market system Cuba 1952-1959 Manuel Márquez-Sterling, 2009 Author Manuel Márquez Sterling writes about Fidel Castro and his revolution from direct personal experience as a historian with broad and deep knowledge of 50s Cuba The author knew and had contact with many of the historical figures in the book's pages His penetrating analysis of the public and behind the scenes events clears the fog and shatters myths to reveal the real story of the Cuban Revolution The book explains how Castro came to power through the convergence of rabid partisanship radical student politics media bias and venal politicians who placed self interest ahead of preserving democracy Facing a constitutional crisis these parties espoused the end justifies the means embracing political gangsterism and eschewing negotiations with political opponents resulting in a power vacuum Castro exploited to seize power Masterful propaganda cast Castro as pro democracy hero

avoiding scrutiny of his plans for a totalitarian state under his control

Latin America in the Era of the Cuban Revolution and Beyond Thomas C. Wright, 2025-07-10 Examining how the Cuban Revolution dictated Latin American politics and U S Latin American relations from the 1950s to the present this fourth edition engages with the question is the Cuban Revolution dead Fidel Castro s ascent to power and the revolution he led in Cuba not only catalyzed a wave of revolutionary activity it also set off a wave of reaction that led to widespread military dictatorships and severe repression culminating in state terrorism Both revolution and reaction were essentially over by 1990 and yet long term effects of the Cuban Revolution continue to influence the modern era Latin America in the Era of the Cuban Revolution and Beyond covers the events of the Cuban Revolution itself the resulting radicalization of Latin American politics the United States responses to the threat of communist expansion in the region and rural and urban guerrilla warfare that were spawned by the Cuban Revolution It also addresses the very different but incomplete revolutions in Peru Chile and Nicaragua the rise of state terrorism in response to the threat of revolution and major developments after 1990 This fourth edition includes a new chapter with expanded coverage of women s political representation the continued rise of authoritarianism Mexican democratization the Pink Tide of recent leftist governments including those of Hugo Ch vez in Venezuela and Evo Morales in Bolivia and Cuban politics in the post Castro era The revised edition features maps of the region as well as updated further reading sections following each chapter

The Economic Relationship Between the United States and Cuba After Castro United States. Congress. House. Committee on Ways and Means. Subcommittee on Trade, 1995

The Cuban Revolution Myra Immell, 2013-02-08 Like all the other books of the Perspectives on Modern World History series this book goes one step further than providing a concise history on its topic It shares actual stories of those who witnessed and lived through the Cuban Revolution Readers will hear from a rebel leader who recalls the first victory A C I A officer recounts the Bay of Pigs Invasion A journalist shares the experience of the Revolution as it was being won A daughter of Cuban Immigrants discusses visiting Cuba for the first time In addition to the personal narratives this volume provides historical background and primary source material on the Cuban Revolution explores why the Revolution was successful and presents controversies related to the Revolution

Cuba's Eternal Revolution through the Prism of Insurgency, Socialism, and Espionage Miguel A. Faria, Jr., 2023-06-21 This book not only relates the defining moments of the Cuban Revolution such as the Moncada Barracks attack the assault on Batista s Presidential Palace the Bay of Pigs invasion and the Cuban Missile Crisis but also lesser known events like the War Against the Bandits the overseas adventures of Che Guevara in the Congo and Bolivia Fidel Castro s possible prior knowledge of and involvement in JFK s assassination Cuba s silent war against the environment and ongoing foreign intelligence operations The book contains information most readers and academicians may not be familiar with and utilizes major tomes as sources that have only been published in Spanish and so are not widely available to international audiences outside of Spain and Latin America It will enlighten readers about the realities of the Cuban Revolution its purported achievements as well as its

definite shortcomings its impact on world events in the last seven decades and correct the record where needed enhancing the fount of knowledge for further research by social scientists historians and political scientists **Disasters, Accidents, and Crises in American History** Ballard C. Campbell,2008 Presents a chronologically arranged reference to catastrophic events in American history including natural disasters economic depressions riots murders and terrorist attacks *Castro's Cuba, Cuba's Fidel* Lee Lockwood,2003-06-30 Mr Lockwood s exciting book holds many surprises for the reader who has seen the Cuban reality up to now only through the distorting prism of propaganda During Mr Lockwood s latest 14 week visit to Cuba in 1965 he had a seven day marathon conversation with Fidel the transcription of which with excellent photographs constitutes the heart of the book A first rate psychological document this book is also an historical one in that it contains information necessary to the understanding of several conversational questions such as the priority given agriculture in the development of the Cuban economy the dissension between Moscow and Havana or even the intellectual road by which Castro came to Marxism Moreover it provides particulars up to now unknown Claude Julien The New York Times Book Review Lockwood gives us crowds posters individual studies Fidel in every possible mood the cities farms country towns most of Cuba is in the photographs Lockwood s text consists mainly of excerpts from several interviews he got from Fidel in 1965 In one way or another Fidel touches on all the events of crucial importance from the beginning of the insurrection until 1965 and the interviews thus become an explanation of the revolution that we badly need Jose Yglesias The New Republic The author s questions to Fidel are tough and penetrating and they elicited the same kind of answers The lively record deserves and encourages serious study K G Jackson Harper s Magazine Given the paucity of scholarly work on contemporary Cuba and the difficulty of visiting the island the photographs interview materials and interpretations of this gifted journalist must go high on the reading list of anyone professional or lay person who maintains a serious interest in Cuban affairs and in that most dramatic and important of twentieth century Latin American leaders Fidel Castro Richard Fagan Hispanic American Historical Review
