Commentaries On The Holy S And Other Papers Equinox:

Commentaries on the Holy Books and Other Papers Aleister Crowley, 1996 This new issue of the Equinox is a companion volume to The Holy Books of Thelema also published by Samuel Weiser and a coherent text book in it s own right It covers the essentials of the A A system of initiation from the preliminary stage of Student to the attainment of the Knowledge and Conversion of the Holy Guardian Angel The centerpiece of the book is the Master Therion s penetrating commentary to the inspired writing THE BOOK OF THE HEART **The Vision & the Voice With Commentary and Other Papers** Aleister Crowley, Victor B Neuburg, Mary Desti, 1999-11-01

In 1909 Crowley received and wrote down his visions in the Sahara In them he gives an account of crossing the Abyss and attaining the grade of Master of the Temple The core of this book is a record of his visions of the 30 Aethyres of the Enochian Magick developed by John Dee and Edward Kelley It includes Crowley s own diagrams and the original typescript of the Commentaries There is also a record of Crowley s magical work conducted with Victor B Neuberg and includes the Esoteric Record of the Paris Working as well as The Holy Hymns to the Great Gods of Heaven **The Eloquent Blood** Manon Hedenborg White, 2020 The Eloquent Blood focuses on the changing construction of femininity and feminine sexuality in interpretations of the goddess Babalon A central deity in Thelema the religion founded by the notorious British occultist Aleister Crowley 1875-1947 Babalon is based on Crowley s favorable reinterpretation of the biblical Whore of Babylon and is associated with liberated female sexuality and the spiritual ideal of passionate union with existence Combining research on historical and contemporary Western esotericism with feminist and queer theory the book sheds light on the ways in which esoteric movements and systems of thought have developed over time in relation to political movements **One Truth and One Spirit** Keith Readdy, 2018-12-01 Based upon academic research at the University of Amsterdam s Center for the History of Hermetic Philosophy and Related Currents One Truth and One Spirit is a much needed work that covers a previously unexplored history of the modern religious movement known as Thelema This work details the theoretical framework of Aleister Crowley s spiritual legacy in the O T O and the A A and covers the years of Thelema since Crowley s death in 1947 One Truth and One Spirit approaches a complex topic with a complex history with exhaustive citations and sources but it is written for anyone interested in the subject of Thelema The author utilizes published source material as well as previously unavailable information which makes this a unique contribution to the available literature One Truth and One Spirit is expected to be of interest to the novice the scholar and the seasoned practitioner of Thelema The work provides a general historical overview of Thelema from a theoretical vantage point explores the historical development of the movement from the 1960s to the 1990s and applies the author s own critical discussions on the topic itself Grimoire of Aleister Crowley Rodney Orpheus, 2019-06-01 A comprehensive presentation of group oriented rites for modern magicians inspired by the occult works of Aleister Crowley Group ritual has been a cornerstone of spiritual practice since time immemorial yet its history and importance have often been overlooked by

occultists of the modern age This book is an essential resource on the topic featuring rituals written by Aleister Crowley for his own magic circles many of them unpublished during his lifetime plus rare ancient texts that were Crowley's own inspiration The rituals are newly edited and explained by practicing magician Rodney Orpheus drawing on his wealth of experience performing and teaching them within Crowley's magical order Ordo Templi Orientis Orpheus introduces each ritual explaining its historical context and its function and mode of operation He also includes detailed notes on each ritual's proper setting and performance Whether absolute beginner or seasoned expert magicians of all paths will find this volume to be an eminently workable and extremely powerful grimoire spanning centuries from ancient Mithraic and Bacchanalian rites Goetia and Gnosticism right up to present day Crowleian invocations and sexual magick **Like a Tree Universally Spread** Keith Edward Cantú, 2023 This book reconstructs the tantalizing tale of Sri Sabhapati Swami ca 1828-1923/4 today a little known swami who was originally from Tamil Nadu in southern India and historically contextualizes a fascinating type of yoga that Sabhapati claimed would lead to an experience of being like a tree universally spread The practical method of having this experience in technical terms called the samadhi or composure of sivarajayoga or the Royal yoga for siva was published in English and multiple Indic languages and lavishly illustrated in diagrams on subtle and physical bodies This book is the first book-length treatment on Sabhapati Swami scholarly or otherwise and uses critically edited sources printed in Tamil Devanagari and Bengali scripts to reveal the expansion of his literature across South Asia and globally the vast majority of which has never before been considered in any scholarly work to date The book shows how intertwined Sabhapati's yoga is with historical Tamil saiva and Siddha movements including the mythos of the rishi Agastya and also with Hathayoga and mantra-based ritual It also takes into account his and his followers' wrestling with the Victorian scientific worldview and their rationalization of Hindu philosophical discourses in the colonial period Finally the book demonstrates the extent to which Sabhapati's teachings were integrated into esoteric religious movements such as the Theosophical Society the Thelema of Aleister Crowley and New Thought and suggests that a reappraisal of scholarship on the roots of yoga in these movements is long overdue The Occult Nineteenth Century Lukas Pokorny, Franz Winter, 2021-01-09 The nineteenth century witnessed a proliferation of alternative religious currents and practices appropriating earlier traditions entangling geographically distinct spiritual discourses and crafting a repository of mindscapes eminently suitable to be accommodated by later generations of thinkers and practitioners Penned by specialists in the field this volume examines important themes and figures pertaining to this occult amalgam and its resonance into the twentieth century and beyond Global guises of the occult ranging from the Americas and Europe to India are variously addressed with special attention to the crucial role of mesmerism and the origins of modern yoga *Perdurabo, Revised and Expanded Edition* Richard Kaczynski, 2010-08-10 A rigorously researched biography of the founder of modern magick as well as a study of the occult sexuality Eastern religion and more The name Aleister Crowley instantly conjures visions of diabolic ceremonies and orgiastic

indulgences and while the sardonic Crowley would perhaps be the last to challenge such a view he was also much more than the Beast as this authoritative biography shows Perdurabo entitled after the magical name Crowley chose when inducted into the Hermetic Order of the Golden Dawn traces Crowley's remarkable journey from his birth as the only son of a wealthy lay preacher to his death in a boarding house as the world's foremost authority on magick Along the way he rebels against his conservative religious upbringing befriends famous artists writers and philosophers and becomes a poet himself is attacked for his practice of the black arts and teaches that science and magick can work together While seeking to spread his infamous philosophy of Do what thou wilt shall be the whole of the Law Crowley becomes one of the most notorious figures of his day Based on Richard Kaczynski's twenty years of research and including previously unpublished biographical details Perdurabo paints a memorable portrait of the man who inspired the counterculture and influenced generations of artists punks wiccans and other denizens of the demimonde *American Book Publishing Record* ,2005 **Journal of the Society of Biblical Literature and Exegesis, Including the Papers Read and Abstract of Proceedings for ...** ,1885
