Communicating Emotion Social Moral And Cultural Processes:

Communicating Emotion Sally Planalp,1999-08-13 The modern world is forcing us to understand emotion in order to cope with new problems such as road rage and epidemic levels of depression as well as age old problems such as homicide genocide and racial tension At the same time scholarly research is leading us to appreciate how emotion helps us to understand and transcend our selfish interests to connect with others to feel what is just and moral and not just think it and to construct societies and cultures that govern our joint efforts This book draws upon scholarly research to address explain and legitimize the role that emotion plays in everyday interaction and in many of the pressing social moral and cultural issues that we face today Emotional Lives , **The Interpersonal Dynamics of Emotion** Gerben A. van Kleef,2016-04-21 Emotional expressions are omnipresent but how do they influence us This book highlights the pervasive interpersonal effects of emotions Emotion Communication by the Aging Face and Body Ursula Hess,Reginald B. Adams, Jr.,Robert E. Kleck,2023-12-07 As our society ages questions concerning the relations between generations gain importance The quality of human relations depends on the quality of emotion communication which is a significant part of our daily interactions Emotion expressions serve not only to communicate how the expresser feels but also to communicate intentions whether to approach or retreat and personality traits such as dominance trustworthiness or friendliness that influence our decisions regarding whether and how to interact with a person Emotion Communication by the Aging Face and Body delineates how aging affects emotion communication and person perception by bringing together research across multiple disciplines Scholars and graduate students in the psychology of aging affective science and social gerontology will benefit from this over view and theoretical framework **Interpersonal Emotion Dynamics in Close Relationships** Ashley K. Randall,Dominik Schoebi,2018-09-27 Emotions play a powerful role in close relationships Significant progress has been made in understanding the temporal features of emotions associated with the development and maintenance of close relationships across the lifespan This advancement has revealed further questions which theories help conceptualize interpersonal emotion dynamics What are the ways researchers can assess and model these dynamics How do interpersonal emotion dynamics manifest in different close relationships And do these emotion dynamics contribute to the maintenance or dissolution of relationships Interpersonal Emotion Dynamics in Close Relationships addresses these and other questions by bringing together state of the art perspectives from scholars widely recognized for their contributions to the study of emotions in relationships Each chapter defines interpersonal emotion dynamics reviews methodological or empirical work and offers important directions for future research This volume will be a valuable resource for students researchers and practitioners interested in understanding the role of emotions in relationships *The Cambridge Handbook of Sociopragmatics* Michael Haugh,Dániel Z. Kádár,Marina Terkourafi,2021-04-22 Sociopragmatics is a rapidly growing field and this is the first ever handbook dedicated to this exciting area of study Bringing together an international team of leading

editors and contributors it provides a comprehensive cutting edge overview of the key concepts topics settings and methodologies involved in sociopragmatic research The chapters are organised in a systematic fashion and span a wide range of theoretical research on how language communicates multiple meanings in context how it influences our daily interactions and relationships with others and how it helps construct our social worlds Providing insight into a fascinating array of phenomena and novel research directions the Handbook is not only relevant to experts of pragmatics but to any reader with an interest in language and its use in different contexts including researchers in sociology anthropology and communication and students of applied linguistics and related areas as well as professional practitioners in communication research **The Expression of Emotion** Catharine Abell,Joel Smith,2016-09-22 The Expression of Emotion collects cutting edge essays on emotional expression written by leading philosophers psychologists and legal theorists It highlights areas of interdisciplinary research interest including facial expression expressive action and the role of both normativity and context in emotion perception Whilst philosophical discussion of emotional expression has addressed the nature of expression and its relation to action theory psychological work on the topic has focused on the specific mechanisms underpinning different facial expressions and their recognition Further work in both legal and political theory has had much to say about the normative role of emotional expressions but would benefit from greater engagement with both psychological and philosophical research In combining philosophical psychological and legal work on emotional expression the present volume brings these distinct approaches into a productive conversation **Bilingual Couples in Conversation** Silja Ang-Tschachtli,2022-01-31 This book provides a detailed linguistic analysis of the communication between highly proficient bilingual couples each consisting of a native speaker of English and of Swiss German Combining the accounts of ten couples on their language use with an analysis of their actual linguistic behaviour several areas of the partners speech and interaction were closely examined These include their language choice and language mixing attitudes expression of emotions swearing as well as their humour and laughter In addition the influence of the bilinguals mother tongue and gender on their language use was explored Thus the study provides valuable insights into the language practices of established bilingual couples while also contributing to the fields of fluent late bilingualism and gender research **The Self and Its Emotions** Kristján Kristjánsson,2010-02-08 Examines the self issues and emotions that lie at the intersection of psychology philosophy of mind and moral philosophy *Interacting and Organizing* Francois Cooren,2013-09-13 This work provides an exceptional case study shedding light onto the functioning of an actual corporate board of directors It presents analysis of a series of corporate management meetings shown in the 1974 documentary film Corporation After Mr Sam The film chronicles the discussion and communication processes as a company considers how to replace its president and it serves as a unique opportunity for analysis of real world organizational discourse With an impressive list of prominent contributors Interacting and Organizing Analyses of a Management Meeting employs the dual perspectives of organizational communication and

language and social interaction LSI to examine the film It is arranged around specific topics analyzed separately by organizational communication and LSI scholars Editor Fran ois Cooren provides an introduction for each topic and a comparison and synthesis conclude each part Readers will appreciate the information presented as it is an arena typically off limits to outside eyes The transcript of the film is included as an appendix to the volume This volume is appropriate for use in advanced courses and seminars in organizational communication LSI management and organizational behavior With its distinctive approach to studying the film s content it will be invaluable to scholars researchers and graduate students in organizational communication LSI and management
