Creative Boot Camp 30 Day Booster Pack Writer Stefan Mumaw:

Creative Boot Camp 30-Day Booster Pack Stefan Mumaw, 2012-12-11 You've completed the Creative Boot Camp training program surviving 30 days of creativity exercises designed to present fun engaging opportunities for creative problem solving. Through this practice you developed skills that you use every day by solving problems with defined purpose and escalating restriction. Now that you've performed those 30 exercises, wouldn't it be great if there were another set of 30 exercises you could complete that would challenge you in the same way? You're in luck! Introducing the Creative Boot Camp Booster Packs. The Creative Boot Camp Booster Packs offer 90 new creative exercises separated into two collections: The Medium Collection and The General Mix Collection. The Medium Collection offers the 90 exercises segregated by medium: 30 Designer, 30 Writer, and 30 Photographer. The General Mix Collection offers the same 90 exercises in three mixed packs: Brigadier Major and Lieutenant. Each mixed Booster Pack contains 10 designer, 10 writer, and 10 photographer exercises. This Booster Pack is the Writer Edition, which means the exercises are tailored towards writers. But don't think that every exercise requires a silver-tongued pen. Most of these are idea-driven more than language-driven, so focus on the ideas behind the words. Solve these problems with relevance and novelty, and you'll find the creative boost you are seeking by the conclusion of the pack.

Creative Boot Camp Stefan Mumaw, 2012-11-27 Creative Boot Camp is a 30-day creative training program that will increase the quantity and quality of your ideas. The book begins by exploring what creativity is and isn't, how we can train ourselves to improve our own ideation, and what steps we need to take to generate more ideas and better ideas for our creative selves, our creative projects, our creative businesses, and our creative lives. Like any muscle, creativity requires repetitive and challenging exercise to grow. The 30-day program provides an escalation of creative exercises that test our problem-solving prowess and train us to overcome the obstacles that inhibit ideation. The program tests regularly both in idea quantity and quality to ensure we are on track with our boot camp goals. But unlike the gym, these exercises aren't to be dreaded. They are light, fun, and take 10-15 minutes max. By the end of the 30-day boot camp, readers will see noticeable improvement in the quantity and quality of their ideas.
