Credo Meditations On The Apostles Creed:

Credo Hans Urs Von Balthasar, 2011-10-06 In the twelve months before his sudden death Hans Urs von Balthasar had been writing a series of reflections on the twelve articles of the Apostles Creed These texts which are undoubtedly among the last things he wrote take on the character of a legacy a spiritual testament For they amount in their extraordinary compactness and depth to a little summa of his theology What he had set out in detail in numerous books over five decades he summarizes here in contemplative plainness and simplicity All the characteristics that make von Balthasar s work so distinctive and valuable are to be found here breadth of vision loveliness of style and an intuitive contemporary passion that allows him to pray intellectually and think cordially In his warm and extensive introduction to the book Medard Kehl speaks of von Balthasar s unclouded almost childlike joy in the richness and beauty of the Mystery of the threefold God which is evidenced in his interpretation of the creed **Credo** Hans Urs von Balthasar, 1990 *Credo* Hans Urs von Balthasar (cardinale), 1990

Exploring and Proclaiming the Apostles' Creed Roger van Harn, 2004-11-15 Doctrinal preaching has fallen on hard times in recent years Exploring and Proclaiming the Apostles Creed seeks to stimulate renewed interest in and provide useful models of Christian proclamation that is truly rooted in the central tenets of the faith Using the Apostles Creed as a template for doctrinal confessional preaching this book draws together an ecumenical cast of respected biblical scholars and preachers who explain the creed and demonstrate its preaching possibilities Each of the book s fifteen chapters consists of an essay that explores and illuminates one of the creed s articles of faith followed by a scintillating sermon that models how that article can be preached as good news today **The Apostles' Creed** Jonathan F. Bayes, 2010-09-09 Throughout

the centuries churches all over the world have confessed their faith in the words of The Apostle s Creed The Creed is a brilliant summary of the essence of biblical truth But as this book shows the Creed is not just a dry statement of abstract doctrines It is an expression of passion As they composed the Creed the earliest Christians were giving voice to their passion for the God who has made himself known in the person of Jesus Christ The Creed stands as an invitation to believers of every generation to that same passionate commitment which has marked our predecessors in the faith This book expounds the Creed phrase by phrase and seeks at every point to apply its teaching to the life of believers in the world of today Taking the Creed as his starting point and framework Jonathan Bayes presents a wide ranging account of Christian theology His reflections on the Creed lead to some challenging and stimulating meditations on various aspects of biblical teaching

Spirit humanity church salvation and resurrection He cuts a clear path through theological terms traditions and debates And in the spirit of C S Lewis he invites you to consider some of the most profound reflections from the distant past to the present day on Christian belief Throughout this fascinating journey the main road is always kept in view The meaning and shape of our life together as a community of persons is grounded in the inner life of God the Trinity and has been revealed to us in the life death and resurrection of Jesus Christ If you are eager to think about your faith to examine what and why you believe and to reflect on how such faith can be lived out in our world Invitation to Theology is the book for you **The Trinity and Theodicy** Jacob H. Friesenhahn, 2016-02-17 Why does God permit the great suffering and evil that we see in our world This basic question of human existence receives a fresh answer in this book as the mystery of evil is explored in the context of the mystery of the Trinity God's permission of evil and the way in which suffering can lead human persons into the life of the Trinity are discussed in dialogue with the great Swiss theologian Hans Urs von Balthasar In the light of Balthasar's model of the Trinity as divine self giving love we gain a profound grasp of the nature of suffering in human life by placing our suffering in the context of the divine life of the Triune God From Misery to Hope Joe Egan, 2010 How can one believe in a God of love amid all the evil and suffering found in the world How does one do theology after Auschwitz while vast numbers of people still have to endure violent oppression every day This book seeks to address such questions from a standpoint informed by life in Africa which in the face of extraordinary difficulties bears witness to Gospel hope by demonstrating forgiveness in action and promoting reconciliation The work unfolds in two parts In the first part a description of the misery that characterises much of life in Africa in the recent past opens up to a theological consideration of the underlying causes and of God's response to them In the second part the joy which is so characteristic of life in Africa even in places of immense suffering sets the scene for detailed reflections on liturgy memory forgiveness and hope **Heart of the World, Center of the Church** David L. Schindler, 2001-09 Jesus and the Gospel Movement William Thompson-Uberuaga, 2006 Thompson Uberuaga reconsiders the image of Jesus Christ by examining his relationships with others and the bonds he formed as the gospel movement took shape around him He engages the works of Voegelin Gadamer and others to explore fully the political dimensions of the emerging church Includes Internet links for supplementation Provided by publisher
