Capacity For Delight:

The Promise of Robert W. Jenson's Theology Stephen John Wright, Chris E. W. Green, 2017-09-01 North America has rarely produced a theologian as creative and productive as Robert W Jenson A truly ecumenical thinker Jenson consistently demonstrates the way that the church's confession of the triune God of scripture restructures Christian thinking Jenson's work on the nature of theology has focused on the category of promise a way with language that opens up new possibilities At the heart of Jenson's theology of the gospel is the conviction that in Christ God discloses a word of pure promise to us enabling new patterns of life Just as the gospel opens up new ways of living good theology unfolds into new interpretations and articulations Engaging Jenson's work across vital areas this volume lays out the contours and key contributions of Jenson's thought for modern Christology theological interpretation of Scripture the doctrine of the Trinity in light of the recent Trinitarian revival and ecumenical theological relations This volume gathers together essays by some of contemporary theology's most capable thinkers such as Oliver Crisp Stephen Holmes Joseph Mangina Peter Leithart Telford Work Eugene Rogers R Kendall Soulen and Peter Ochs to examine the ways in which Jenson's own theology functions as promise enabling further theological visions and articulations *Elements of Mental Philosophy* Leicester Ambrose Sawyer, 1846

Desire-Will-Capacity Loretta E. Farr, 2010-10 Does God Have a Blueprint for your Life Yes There is a blueprint a detailed outline of your personal future God's blueprint for your life includes everything from the moment of your birth to the moment of your death He reveals his will one step at a time so you will trust him moment by moment That's the way God leads his people Step by step moment by moment day by day The only thing that is necessary is a willing heart and a willingness to move out in faith in obedience in the leading of the Lord in the circumstances of life You won't always know the future in fact you will rarely know the future and things won't always work out like you expect but don't get discouraged just follow God's plan step by step by step Desire Will and Capacity is a book about learning the art of delighting in the Lord surrendering to the will of God and understanding God's methods for bringing increase to your life Although you may feel as if you are on the right path and headed in the right direction just know that the journey may include delays road blocks and opportunities to yield the right of way while being conformed daily into the image of God *Prayer Companion* Judith Lawrence, 1998-09-01 New meaning and spirit for everyday living this is a gift of prayer In this unique resource Judith Lawrence offers a rich variety of stories reflections prayers and meditations to help us cope with difficult times celebrate joyful times and live with the in between times Meditations are arranged alphabetically for easy use as occasion suggests or your prayer schedule dictates They include answers to prayer finding God through music forgiveness and healing love in action meditation while breaking bread sickness and suffering walking with God Here is keen but gentle wisdom to assist our quest for soul strength and divine guidance The seventeenth century monk Brother Lawrence advised that we should establish ourselves in God's presence Judith Lawrence gives us the means to accomplish this goal Fullness of Life

Margaret R. Miles,2006-06-01 Margaret Miles here explores Christianity's understandings of the human body in the past and presents new concepts for the future An enlightening investigation into how the body has been perceived through the ages Fullness of Life offers surprising conclusions that historic Christian authors from Ignatius of Antioch to Thomas Aquinas far from viewing the body in a negative way have been overwhelmingly affirmative Providing the basis for a greater appreciation of the human body as the focus of life and salvation this unique work sheds a new light on what it means to be fully alive and fully human in the Christian tradition

Asceticism Vincent L. Wimbush,Richard Valantasis,2002 The only comprehensive reference work on asceticism with a multicultural multireligious and multidisciplinary perspective Asceticism offers a sweeping view of an elusive and controversial aspect of religious life and culture Providing a broad historical and comparative perspective contributions by more than forty preeminent scholars in a wide range of fields and disciplines explore asceticism from antiquity to the present in European Near Eastern African Asian and North American settings An incomparable reference Asceticism offers a model for an understanding of a most important dimension of religious life

The Philosophy of Jonathan Edwards Jonathan Edwards,2009-05-04 Originally published posthumously in 1955 Harvey G Townsend's Philosophy of Jonathan Edwards reprinted some of Edwards most important early compositions on natural philosophy Of Being and The Mind and collected nearly two hundred Miscellanies entries some of them published here for the first time In his introduction Townsend points to Edwards radical idealism that derived from Christian Platonism and John Locke rather than George Berkeley as commonly thought Townsend's work represents an important sourcebook for Edwards writings and his introduction presents a clear picture of mainstream Edwards scholarship at the middle of the twentieth century

Maternal Thinking Sara Ruddick,1995-01-31 A New York Times Notable Book of the Year 1989 Philosopher mother and feminist Sara Ruddick examines the discipline of mothering showing for the first time how the day to day work of raising children gives rise to distinctive ways of thinking

Philosophy and Education Mrinal Miri,2014-11-13 What if any are the core values and ideas of education Is moral education an independent variety of education or is it something that is intrinsic to most forms of education Analysing education through the critical lens of philosophy this volume explores the challenges that the education system faces in a country like India a country where any form of generalization becomes dubious owing to its inherently multicultural and multi linguistic character Philosophy and Education also critically examines the higher education system of the country and discusses issues ranging from the importance of humanities in university education to the accountability of institutions and the division of academic labour as an interdisciplinary effort The book looks at both the concept and the system of education and provides a much needed philosophical underpinning to our understanding of several core and topical concerns of teaching learning and research

To Gaze upon God Samuel Parkison,2024-09-03 Though the doctrine of the beatific vision has woefully been forgotten in the church today Samuel Parkison argues that the beatific vision is central for the life of the church today Through close readings of Aquinas Dante

Calvin and more Parkison reminds us of the beatific vision s historical and contemporary significance
