Cultivating Perfection Louis Komjathy, 2007-09-30 This important work focuses on early Quanzhen Complete Perfection Daoism a twelfth century Daoist religious movement and subsequent monastic order Emphasis in this first study to approach Quanzhen from a comparative religious studies perspective is placed on the complex interplay among views of self specific training regimens and the types of experiences that were expected to follow from dedicated praxis On the basis of historical contextualization and textual analysis it is demonstrated that in its formative and incipient organized phases Quanzhen was a Daoist religious community consisting of a few renunciants dedicated to religious praxis The study proper is followed by a complete annotated translation of a text attributed to the founder which represents one of only two early Quanzhen texts translated to date Subsequent appendices address issues of dating and contents of the early textual corpus as well as technical Quanzhen religious terminology

Cultivating Perfection Louis Komjathy, 2007 Employing a comparative religious studies approach this book provides a comprehensive discussion of early Quanzhen as a Daoist religious movement characterized by asceticism alchemical transformation and mystical experiencing Emphasis is placed on the complex interplay among views of self religious praxis and religious experience

explores the different forms of Daoyin in historical sequence beginning with the early medical manuscripts of the Han dynasty then moving into its religious adaptation in Highest Clarity Daoism After examining the medieval Daoyin Scripture and ways of integrating the practice into Tang Daoist immortality the work outlines late imperial forms and describes the transformation of the practice in the modern world Presenting a rich crop of specific exercises together with historical context and comparative insights Chinese Healing Exercises is valuable for both specialists and general readers It provides historical depth and opens concrete details of an important but as yet little known health practice Daoism Handbook Livia Kohn,2000-01-01 This handbook provides key information on the Daoist tradition in an easily accessible yet highly readable format It contains a coherent collection of thirty articles by major scholars in the field and presents the latest level of research available today A highly useful resource for both scholars and students **The Way of Complete Perfection** ,2013-06-01 An anthology of English translations of primary texts of the Quanzhen Complete Perfection school of Daoism
