The Cultural Revolution of the Nineteenth Century Márcia Abreu, Ana Cláudia Suriani da Silva, 2015-10-23 The beginnings of what we now call globalization dates from the early sixteenth century when Europeans in particular the Iberian monarchies began to connect the four parts of the world From the end of the eighteenth and throughout the nineteenth centuries technical advancements such as the growth of the European rail network and the increasing ease of international shipping narrowed the physical and imagined distances between different parts of the globe Books printed matter and theatrical performances were a crucial part of this process and the so called long nineteenth century saw a remarkable increase in readership and technological improvements that significantly changed the production of printed matter and its relationship with culture This book analyzes this sea change in knowledge and sharing of ideas through the prism of the transatlantic diffusion of French Brazilian Portuguese and English print cultures In particular it charts the circulation of printed matter publishers booksellers and actors between Europe and South America Featuring a new original essay from Roger Chartier *The Cultural Revolution of the 19th Century* is an essential new benchmark in global and transnational history

Transatlantic Revolutionary Cultures, 1789-1861 Charlotte A. Lerg, Heléna Tóth, 2017-11-06 *Transatlantic Revolutionary Cultures 1789-1861* argues that the revolutionary era constituted a coherent chapter in transatlantic history and that individual revolutions were connected to a broader transatlantic and transnational frame As a composite the essays place instances of political upheaval during the long nineteenth century in Europe and the Americas in a common narrative and offer a new interpretation on their seeming asynchrony In the age of revolutions the formation of political communities and cultural interactions were closely connected over time and space Reciprocal connections arose from discussions on the nature of history deliberations about constitutional models as well as the reception of revolutions in popular culture These various levels of cultural and intellectual interchange we term transatlantic revolutionary cultures Contributors are Ulrike Bock Anne Bruch Peter Fischer Mischa Honeck Raphael H.
