Invitation to Biblical Theology Jeremy M. Kimble, Ched Spellman, 2020-06-30 Invitation to Biblical Theology provides a thorough overview of biblical theology that is accessible for those new to the topic but substantial enough for advanced study Defining biblical theology as the study of the whole Bible on its own terms Jeremy Kimble and Ched Spellman begin with a brief history of the discipline followed by a survey of contemporary approaches They then lay out their own approach built on the framework of the canon the covenants and Christ Taking God's plan of redemption in Christ as the uniting theme of Scripture Kimble and Spellman survey the grand storyline of the Bible from Genesis to Revelation showing how each division of the canon moves the overarching story forward The following ten chapters survey central and recurring themes of Scripture including kingdom worship Messiah and atonement God's glory and mission The authors conclude with reflections on how biblical theology can serve the church as well as the academy

Biblical and Theological Studies Michael J. Wilkins, Erik Thoennes, 2018-05-16 There is an abundant need today for biblically grounded and practically applied theology In this book a New Testament scholar and a theologian team up to offer readers a robust introduction to biblical and theological studies This readable guide outlines a distinctly evangelical approach to studying the Bible and theology highlighting the proper methods for understanding and synthesizing the teachings of the Bible leading to deeper knowledge of God ourselves and how we are to meaningfully apply his Word to

our lives Part of the Reclaiming the Christian Intellectual Tradition series *That His Spirit May Be Saved* Jeremy M. Kimble, 2013-12-10 In an age of tolerance and moral laxity the implementation of church discipline is often looked upon with disdain fear or incredulousness However there is clear biblical precedent for the practice of discipline within a local church context While many are aware of several passages in Scripture that speak to this reality in this work Jeremy Kimble calls readers to observe clear biblical mandates historic precedent as well as theological and practical implications for the practice of church discipline Seeking to venture past the pragmatic discussions surrounding church discipline Kimble articulates for his readers a lucid theological presentation of this topic He argues that discipline serves as a warning of potential end time judgment As such discipline also serves as a means to the sinner's repentance and the perseverance of the saints within that local church This theological understanding of discipline calls pastors and congregations to faithfulness There is a seriousness to church discipline that cannot be ignored and likewise discipline must also be viewed as a mercy knowing it is a means to repentance and enduring in one's faith **Living Water** Manitzá Kotzé, Kobus van der Walt, 2023-02-23 Water will undoubtedly become an ever more crucial locus of academic reflection as Christiana Peppard's concern that wars of the future will be fought over water not oil 2014 stresses Increasing water shortages worldwide and global warming of water in particular the salt water of the oceans beg further reflection from natural and agricultural sciences the legal field and also from theology As a basic human right water is also closely connected to peace and justice issues This book is an interdisciplinary undertaking looking at water as a theological symbol in the fields of theology natural and agricultural sciences and law Providing reflections from a variety of disciplines within theology as well as from other disciplines such as natural sciences and law from the South African context this book makes a valuable contribution to knowledge in this field

Essays in Faith and Learning Michael Bollenbaugh, Steven N. Goetz, 2015-12-07 This book represents the collected thinking of a few people who have had strong personal connections to Dr Song Nai Rhee Because the integration of faith and learning is a core value held by Dr Rhee the various authors have written essays on this topic in honor of his life and work Such a book is typically referred to as a Festschrift a celebratory writing given for a special person Dr Rhee's robust career at Northwest Christian College University is celebrated by the essays brought together in this book All the authors have known Dr Rhee as students or as academic colleagues or both What they write about ranges from topics found in biblical literature to expressly theological ideas to matters that are eminently practical Yet each essay is held in place by its relevancy to the ongoing conversations about how faith and learning are integrated in the context of the Christian liberal arts university More important each author has a deep and abiding respect for Dr Song Nai Rhee His teaching and mentoring at Northwest Christian College University have left an indelible mark on each of their lives *Networks for Faith Formation* Steve Emery-Wright, Ed Mackenzie, 2017-05-19 The spiritual formation of young people can often focus on encouraging their personal spiritual practices and perhaps linking them to a local youth group While both are important *Networks for Faith*

Formation argues that a far wider set of relationships are needed to help faith grow The aim of Networks for Faith Formation is to describe and commend eight key networks relational bonds that nurture and nourish faith The eight networks are bedroom practices personal faith church family friends mentors small groups events and gatherings and mission and service The description of each network draws on biblical studies practical theology and the social sciences and practical ideas for helping young people engage with such networks are included throughout the book In a context where some overlook the complexity of spiritual formation Networks for Faith Formation is an important resource for church leaders youth ministers and parents seeking to help young people grow in faith Since relational bonds are key for people of any age it can also help all within the church understand the need for relationships in spiritual growth
