The Professional Lesson Plan Book Elaine Nmn

Jones, 2005-04-12 There is a better way for teachers to plan effectively, have sufficient time to perform other important tasks and yet be productive in the matter of helping students reach their greatest potential and higher. This gives teachers a sense of satisfaction that promotes an avenue of clear creative thinking that in itself minimizes stress and opens a path of success that is second to none. The Professional Plan book offers sections for writing goals, objectives and space for 45 weeks of lesson plans, a substitute chart, a daily schedule chart, Seating Charts, a Grade Book with enlarged spaces and other features. Quarterly Test Data Charts to keep track on how well your class is performing, Homework charts, enlarge type and more for easy access, organization and documentation. The Professional Lesson Plan Book is designed to replace unnecessary staff development sessions and workshops that take up valuable planning time. Teachers need for pre-planning goals, objectives and lesson plans at the beginning and throughout the school year. It seriously requires full cooperation and support from the State School Board of Education, Parents and other administrative departments to synchronize reasonable and effective rules for teachers to abide by and making a sincere effort to leave most of their professional time to teaching and addressing the needs of each student.

Oswaal NCERT Teachers & Parents Manual Mathematics Math Magic Class 5 (For 2021 Exam)

Oswaal Editorial Board, 2020-04-23 Children are naturally inquisitive and eager to explore and learn about the world around them. It is important for their guardians, both Parents and Teachers, to satisfy their queries and that too in such a way that the children are able to understand and comprehend the concepts as well as learn from them. Also, there exists a gap in the level of information and knowledge provided to the children by the Parents vs that provided by their Teachers. Discrepancies might also exist in the methodologies through which the information and knowledge is relayed. This increases the possibility that the children might either not understand the concept clearly or become confused about the correct interpretation of the concepts. With these objectives in mind and to build connectivity between the teaching methodologies by Parents and Teachers, we at Oswaal Books have come up with this Manual for Teachers and Parents. Some benefits of using this manual are: It aims to aid the Teachers and Parents in simplifying the concepts studied by children as a part of their curriculum. It equips the parents and teachers to enable the children to understand the subjects and also evaluate their measure of understanding and creativity. It includes Learning and Understanding Aids along with a Lesson Plan for each Chapter. It demonstrates Effective Teaching Techniques. It also gives various Propositions for Step wise Learning and Building up of Concepts.
