

CCTV VIDEO TRAINING MANUAL

This manual is a guide to the use of the CCTV system. It is intended for use by all personnel who are responsible for the operation of the system. The manual contains information on the following topics:

- The purpose of the system
- The components of the system
- The operation of the system
- The maintenance of the system
- The security of the system
- The use of the system

The manual is divided into two main sections. The first section, 'The purpose of the system', describes the reasons for the installation of the system and the objectives of the system. The second section, 'The components of the system', describes the various components of the system and their functions.
