Revelation for Everyone N. T. Wright, 2004-01-01 Enlarged print edition now available In this final installment of the New Testament for Everyone series Tom Wright explores the book of Revelation With clear accessible language Wright offers us an entrance into the final book of the New Testament While the book of Revelation has often been written off as a foretelling of doom it is much more complex than this and has captured the imaginations of both lay and professional readers Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions **Revelation for Everyone**

N. T. Wright, 2011-01-01 N T Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions **The New Testament in Color** Esau McCaulley, Janette H. Ok, Osvaldo Padilla, Amy L. B. Peeler, 2024-08-06 In this one volume commentary a multiethnic team of scholars holding orthodox Christian beliefs brings exegetical expertise coupled with a unique interpretive lens to illuminate the ways social location and biblical interpretation work together These diverse scholars offer a better vantage point for both the academy and the church *Reading Revelation Missiologically* Abeneazer G. Urga, Edward L. Smither, Michael P. Naylor, 2025-10-28 Through Global Mission to God's Throne Few works on Revelation emphasize its missional element *Reading Revelation Missiologically* aims to fill that gap showing that this final book of the Bible is deeply missional calling God's people to witness worship and endure in the face of suffering As the fourth volume in the *Reading Missiologically* series following Hebrews 1 Peter and James it highlights Revelation's call to faithfulness perseverance through suffering and global worship of the Lamb Structured around the missionary motive why message what and methods how this volume explores Revelation's theology of mission Revelation is replete with the theme of God's love for the nations and it calls God's people to live as a foretaste of the coming new creation Global voices offer fresh insights for pastors scholars and students Rather than a puzzle to decode Revelation is presented as a powerful missionary declaration **Experiencing the Apocalypse** Dan J. Harvey, 2023-06-13 John's Revelation is the most misunderstood book of the Bible Even church fathers Martin Luther and other Protestant leaders questioned its inclusion in the Bible The book of Revelation is not meant to be a complex puzzle itching to be solved Rather it is a first century document that needs to be understood in the context of the Greco Roman world while paying close attention to the hundreds of allusions to Old Testament Scripture Worthy Is the Lamb Roland England, 2020-12-02 *Worthy is the Lamb* describes the Book of

Revelation as a carefully fashioned drama a power packed presentation of an age old battle between good and evil truth and falsehood It is a call to faith based resistance on matters of life and death The Lamb stands at the center of this war of the worlds a cosmic drama taking place in the choices that ordinary people make daily Who has ears to hear Who will hold fast to faith in the face of suffering and death Who are the evil threesome What is the big lie This message of Revelation continues to be as relevant today as 2000 years ago The drama sounds its urgent call to resist the evil around us all to resist the beast that feeds on lies and on all the latest conspiracies

Revelation (Teach the Text Commentary Series) J. Scott Duvall, 2014-10-14 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text

The Sequence Steven R. Bates, 2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn't Today's typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i.e. Paul's letters to the Thessalonians the Olivet Discourse and John's visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there's only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it's theoretically impossible Scripture's six sequences only confirm one sequence and it is the one which has been presented in *The Sequence*

Revelation N. T. Wright, 2012-08-02 Under the guidance of one of the world's leading New Testament scholars you and your small group will here discover that the bizarre images of Revelation conceal one of Scripture's clearest and most dramatic visions of God's plan for creation
