S. Lewis,2005-02-22 The Essentials Explained Master storyteller and essayist C S Lewis here tackles the central questions of the Christian faith Who was Jesus What did he accomplish What does it mean for me In these classic essays which began as talks on the BBC during World War II Lewis creatively and simply explains the basic tenets of Christianity Taken from the core section of Mere Christianity the selection in this gift edition provides an accessible way for more people to discover these timeless truths For those looking to remind themselves of the things they hold true or those looking for a snapshot of Christianity this book is a wonderful introduction to the faith **Finding God's Will** Gregg Matte,2010-11-25 Pastor Gregg

Matte writes God's will is not the needle in the haystack discovered only by Navy SEALs for Jesus it is actually the hay in the haystack to be found by every believer This is great news for any Christian who has ever wondered about finding and living in the will of God Through an extensive intimate examination of God's encounter with Moses in the burning bush Finding God's Will invites readers to shift their understanding of God's will from an event to be experienced to a process to live God's will is what happens when we seek him Readers will discover how to be on the lookout for their own burning bushes how to focus on pleasing Thee not they and how to expect God's power as they seek his will They may also be surprised to find that as they seek a deeper relationship with God his direction and guidance become clear A life centered in God's will is a promise offered to every believer and every Christian can learn how to receive that gift Facing Cancer Together Pamela N. Taking Up Serpents David L. Kimbrough, 2002 David Kimbrough explains the history and practice of serpent handling believers from the perspective of a respectful and scholarly participant observer C. S. Lewis William Griffin, 2007-04-01

A truly livable and decidedly witty lay spirituality from the most amusing Christian intellectual of our time From his autobiography Surprised by Joy and children's classics The Chronicles of Narnia from his poems and novels from his literary criticism and theological explorations C S Lewis has laid down albeit unwittingly a spirituality that the mere Christian something of an invention of Lewis's can live with from Monday through Saturday On Sunday Lewis would expect the mere Christian to be in his or her own church In this book Bill Griffin renowned Lewis scholar and biographer captures the spirituality from Lewis's own writings and presents it in a manner reminiscent of Lewis's own
