Through his personable and engaging style he reveals important life principles on such key topics as finances, use of the tongue, sexuality, work ethic, friendships. No book ever written has been a better or more practical guide than Proverbs for helping fathers guide their children toward right choices and away from wrong ones. Merritt makes liberal use of anecdotes and stories from his own experience as the father of three children as he urges dads to take seriously their important role as leaders in their homes and their responsibility to teach godly wisdom to their children.
