## DIESEL ENGINE D1146 D1146T D2366 D2366T

### FOREWORD

This manual includes special notes, important points, service data, precautions, etc. that are needed for the maintenance and adjustment of the engine. The contents of this manual are the property of the models cited.

The Section Index on the contents page enables the user to quickly locate any desired section. At the beginning of each section containing more than one major subject is a Table of Contents, which gives the page number on which each major subject begins. An index is placed at the beginning of each major subject within the section.

Any reference to brand names in this manual is intended merely as an example of the types of lubricants, tools, materials, etc. recommended for use in servicing Daewoo Engine. In all cases, an equivalent may be used.

This manual should be kept in a handy place for ready reference. If properly used, it will enable the technician to better serve the owners of Daewoo Engine.

All information, illustrations and specifications contained in this literature are based on the latest product information available at the time of publication approval. The right is reserved to make changes at any time without notice.
