Daddy Marshs Coloring Hand Drawn:

Daddy Marsh's Coloring Book Catherine Long, 2015-12-04 A compilation of hand drawn mechanical drawings from 1940 to 1960 drawn in pencil by my father For children and adults Ideal for colored pencils *The Marsh Queen* Virginia Hartman, 2023-04-25 Loni Mae Murrow's life in Washington DC is tidy if a trifle constrained Single and in her mid thirties she's a bird artist at the Smithsonian who spends her days at a desk making elaborate drawings of belted kingfishers and scrub jays and purple gallinules Then she's abruptly summoned back home to the wetlands of northern Florida where she grew up Her mother critical and difficult has grown frail and been resentfully consigned to assisted living and her younger brother Phil juggling a job and a wife and two young children needs her help Loni may not be her mother's only child but there are some things only a daughter can do Although Florida with its suffocating heat and difficult memories is a place she thought she'd managed to get away from Loni soon discovers that home is not so easily forgotten Going through her mother's things she finds a cryptic note from a woman whose name she doesn't recognize There are some things I have to tell you about Boyd's death it reads Boyd is her father a man who drowned in a boating accident out on the marsh when Loni was twelve and Phil just a baby The circumstances of his death long presumed a suicide turn out to be murkier than anyone thought Against her better judgment Loni finds herself drawn into a quest to discover the truth about how he died Against the mottled landscape of her youth she is led both away from and toward the truth about the past and its betrayals One by one the forces keeping her in Florida become stronger Someone begins to threaten her as she uncovers pieces of her father's story but she can't figure out who In the midst of this danger she struggles to reconnect with her mother through the remnants of their past and to reconcile with her brother and his pushy provincial wife And she fights an attraction to a man who encourages her to stay in the South even as she determines to return to her job in Washington At last moved to avenge the wrongs done to her family Loni has to decide whether to join the violence or end it *Murder in the Marshes* Carter Fielding, 2023-04-17 There's a reason we keep fighting the War Between the States The North keeps watering down the bourbon Sacrilege Mama While preparing for her sister's wedding Finley Blake still settling into her relationship with her long time love Max uncovers dead bodies dry bones and deep secrets that threaten to upend her family and turn the wedding chapel into a funeral parlor Finley and Whitt are meeting up in Charleston for Whit's wedding and have booked one of the stately mansions off Colonial Lake as their Airbnb home away from home As if managing Mama's need to feed and tamping down Whitt's pre wedding jitters aren't enough Finley has to help her sister remember where she has seen the man that turns up dead in the master bedroom of the house they are renting Just when things start calming down and Whitt can return to her wedding preparations bones and lots of money start falling from the ceiling and the sleuths are back at it trying to piece together the clues before the killer finds them out The bride and her matron of honor must connect the dots in a hurry or one of the bridal party may end up taking a ride down the aisle in a casket Catch up with these two Southern sisters in the next in the Blake Sisters Travel Mystery series
