

INTRODUCTION

The Toyota Genuine Dash Camera is designed to provide a safe and memorable driving experience in your Toyota vehicle. Safely record the on-goings of the open road while keeping your eyes on the road. Never miss a moment in motion; capture it! The Toyota Genuine Dash Camera will also allow you to record the surroundings of your vehicle while it is parked.

Personal safety, as well as security for your Toyota vehicle, is our top priority. The device is safely installed on your front windshield. The camera will automatically save and record data after impact in the event of a crash. The camera automatically starts when the ACC/IG power is on. When the vehicle is stationary, you can access videos and change the settings via your smartphone app or on your PC by inserting the camera's microSD card.

The Dash Camera features a number of different recording modes:

The Infinite Loop: With a high quality, industrial grade micro SD card, the footage will continuously record up to 170 minutes of 1080p HD footage (Standard mode, Bit rate: 6.2 Mbps) in an infinite loop, allowing you to capture every moment of your drive. The accompanying software will allow you to save any footage to your smartphone using Wi-Fi data transmission or simply take the microSD card out of the camera to save your files to your computer.

Incident Recording: With the help of the G-sensor impact detection, the footage will automatically lock on the microSD card for retrieval at a later time and you will not have to worry about anything else but the safety of everyone involved.

Parking Surveillance: Shortly after impact, the device will record up to 60 seconds following the impact and the file will be locked on the microSD card.

Interesting event recording: At the push of a button, automatically save 12 seconds before and 8 seconds after an event.

Adventure Mode: With Adventure mode, you can manually save up to an hour of footage at the highest quality video setting.

For any questions about your Genuine Toyota Dash Camera, please consult your Toyota dealer.

Thank you for purchasing a Toyota Genuine Accessory.
