Culture Matters [electronic Resource] : how Values Shape Human Progress : Presentation and Discussion with Lawrence E. Harrison Canadian Centre for Foreign Policy Development, 2000 *Culture Matters: How Values Shape Human Progress* Lawrence E. Harrison, Samuel P. Huntington, 2000-05-18 Prominent scholars and journalists ask Why are some countries able to accomplish political freedom and a decent standard of living and others not Handbook of Research on Asian Business Henry Wai-Chung Yeung, 2007 This volume is excellent Students who are interested in Asian business should read it and will find the comprehensive bibliography offered by the different contributors very helpful In light of the recent global financial crises it is time to re examine the Asian miracles as well as the Western models of business organizations and regulations This volume offers great insights not just on Asian business but also on Western economies and business It is also time to adopt an integrative approach recommended by Yeung through comparative research of businesses and economies in different institutions and cultures Yifei Sun Economic Geography An absolute must have for college library reference shelves filled cover to cover with keen analyses that any businessperson seeking to make inroads in an Asian market needs to study at length Midwest Book Review This book serves as an important guide to the many fascinating research questions about Asian business waiting to be addressed The study of Asian business has reached equality in importance to the study of business in Europe and North America Researchers who study any of these regions have an incentive to follow the study of business in the other regions if for no other reason than that many global firms from each region operate in all regions now Nonetheless the more important reason for knowledge transfer among researchers of each region is that these exchanges can only advance everyone's research Henry Yeung and the contributors are to be thanked for setting out a rich agenda for research on Asian business that will elevate this study to equality with research elsewhere in the world Eurasian Geography and Economics This book is extremely comprehensive and well researched It will be of particular interest to scholars in the fields of international business development studies economic geography regional studies as well as international and national policymakers Science Technology Society The rise of Asia as an important region for global business has been widely recognized as one of the most significant economic phenomena in the new millennium This accessible and comprehensive Handbook brings together state of the art reviews of Asian business in an expansive range of areas including business organizations strategic management marketing state business relations business and development business policy issues It is argued that whilst academic studies on Asian business have been in existence for over two decades there is relatively little

systematic integration of our knowledge and research on Asian business The contributors drawn from a variety of disciplines within the social sciences aim to redress the balance with their lively cutting edge discussion Serving as a timely overview of more than two decades of scholarly research this Handbook will be an essential resource for academics students and researchers interested in Asian business

Culture Matters in Russia—and Everywhere Lawrence Harrison, Evgeny Yasin, 2015-04-23 This book pulls together experts in the fields of economics and Russian culture all participants in the Samuel P Huntington Memorial Symposium on Culture Cultural Change and Economic Development a follow up to the 1999 Cultural Values and Human Progress Symposium at Harvard University As the sequel to the 2001 volume *Culture Matters* it discusses modernization democratization economic and political reforms in Russia and asserts that these reforms can happen through the reframing of cultural values attitudes and institutions Cover design by Katie Makrie

Culture, Institutions, and Development Jean-Philippe Platteau, Robert Peccoud, 2010-10-04 This book brings together economists sociologists and anthropologists to discuss the role of culture in economic development addressing such issues as religion family ethnic ties entrepreneurship and poverty

Hernando de Soto and Property in a Market Economy D. Benjamin Barros, 2016-04-22 Hernando de Soto is one of the world's leading public intellectuals His books *The Mystery of Capital* and *The Other Path* have had a tremendous impact on debates about international development but his work also has been controversial One of de Soto's core ideas is that the institution of private property is necessary for the proper functioning of a market economy yet even though many property scholars closely follow de Soto's work his ideas have been neglected in property law scholarship and mature market economies like the United States This new collection seeks to remedy this neglect bringing together a diverse group of scholars to apply de Soto's work to a wide range of contemporary issues in property law and theory The important contribution it makes to debates and controversies in property law as well as in related economic fields will appeal to scholars of both law and economics
