Cattle Brands Andy Adams,2020-02-29 The cattle were looking as fine as silk The lay overs had rested them The horses were in good trim considering the amount of wet weather we had had Here and there was a nigger brand but these saddle galls were unavoidable when using wet blankets

The cattle were twos and threes We had left western Texas with a few over thirty two hundred head and were none shy We could have counted out more but on some of them the Hat brand had possibly faded out We went into a cosy camp early in the evening Everything needful was at hand wood water and grass Cowmen in those days prided themselves on their outfits and Carter was a trifle gone on his men With the cattle on hand drinking was out of the question so the only way to show us any regard was to bring us a box of cigars He must have brought those cigars from Texas for they were wrapped in a copy of the Fort Worth Gazette It was a month old and full of news Every man in the outfit read and reread it There were several train robberies reported in it but that was common in those days They had nominated for Governor The Little Cavalryman Sol Ross and this paper estimated that his majority would be at least two hundred thousand We were all anxious to get home in time to vote for him Theodore Baughman was foreman of our outfit Baugh was a typical trail boss He had learned to take things as they came play the cards as they fell and not fret himself about little things that could not be helped If we had been a month behind he would never have thought to explain the why or wherefore to old man Carter Several years after this when he was scouting for the army he rode up to a herd over on the Chisholm trail and asked one of the tail men Son have you seen anything of about three hundred nigger soldiers No said the cowboy Well said Baugh I ve lost about that many
