6th ed offers counseling students and professionals a distinctive lifespan approach that emphasizes the importance of social justice and diversity in mental health practice Chapters include case studies reflection questions and examinations of current issues in the field Each chapter also discusses the ways in which a broad range of factors including sexuality race gender identity and socioeconomic conditions affect clients mental health and gives students the information they need to best serve clients from diverse backgrounds Counseling and Action Richard A. Young, José F. Domene, Ladislav Valach, 2014-06-17

Engaging in action is at the heart of our most meaningful experiences And given the fast paced goal driven nature of modern society engagement in action is also central to how we perceive ourselves Action has traditionally been viewed as an end product of the counseling process but now a bold new redefinition makes counseling not only a driver of action but an action in itself Counseling and Action couples a timely update on the multiple roles of action in counseling with an action based framework for enhancing progress between client and professional Grounded in the core concepts of contextual action theory as well as key aspects of counseling e g identity intentionality emotion the book explicates an approach that is responsive to client complexities and the larger social conditions that frame them Expert penned chapters apply theory to practice illustrating levels of engagement in action as counselor and client negotiate goals and work toward their realization And an especially useful section offers guidelines for intervening with specific populations and addressing particular issues Among the topics covered Designing projects for career construction Agentic action in context Counseling intentional addiction recovery grounded in relationships and social meaning The action of mindfulness in counseling A contextual action theory perspective on self efficacy in individual counseling Counseling processes and procedures through the lens of contextual action theory With its forceful argument for a quantum leap in both theory and practice Counseling and Action is transformative reading for professionals educators and graduate students in social work psychotherapy psychology and counseling A Counselor's Guide to Working with Men Matt Englar-Carlson, Marcheta P. Evans, Thelma Duffy, 2014-12-01

This book examines a variety of critical issues pertaining to the psychology of men and masculinity and presents successful evidence based strategies for treatment Part 1 focuses on treating men in couples counseling group work and career counseling as well as counseling men about their health Part 2 explores the intersections of identity for sexual minority men older men and fathers and discusses spiritual work with men in life transitions Part 3 addresses the concerns of men in the military prevention of sexual violence and treating men with addictions and trauma related issues Part 4 provides the specific clinical frames of female counselors using relational cultural theory with men and examines using motivational and masculine sensitive therapy with men Examples and vignettes throughout the text provide clinical relevance and reflective questions in each chapter encourage readers to explore their own biases and ideas about working with men Requests for digital versions from ACA can be found on wiley com To purchase print copies please visit the ACA website here Reproduction requests for material from books published by ACA should be directed to publications counseling org **The Therapist's Notebook for**
