Comrade Loves Of The Samurai:

Comrade Loves of the Samurai Ihara Saikaku, 2011-06-07 In Comrade Loves of a Samurai the theme of homosexual love between the samurai is explored To the old Japanese such love among samurai was quite permissible The sons of samurai families were urged to form homosexual alliances while youth lasted and often these loves matured into lifelong companionships Saikaku describes Japanese love scenes of all kinds with a frankness that has made him a favorite with expurgators but he discusses different types of love with tenderness and compassion The Songs of the Geisha included in this volume is a collection of geisha folk songs composed to be sung to the accompaniment of the shamisen All of the songs have a charmingly nostalgic quality which fitted well with the time and the circumstances for which they were composed They are intimately personal expressing the feelings of the geisha towards their sympathetic listeners Love frustration and the futility of hope are their main themes These lyrics for all their erotic symbolism are restrained and tactful and their erotic beauty must be felt rather than heard Both books were originally privately published in London in 1928 as a two volume set entitled Eastern Love **Comrade Loves of the Samurai** Saikaku Ihara, E. Powys Mathers, 1972 **Eastern Love:**
