Contagious Disciple Making Leading Others On A Journey Of Discovery:

Contagious Disciple Making David Watson, Paul Watson, 2014-12-23 It is hard to deny that today's world can seem apathetic toward Christians. Some may look down at their iPhones when we mention God, motion for the check when we bring up church, or casually change the subject when we talk about prayer. In a world full of people whose indifference is greater than their desire to know Christ, how can we dream of growing the church? In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to Cityteam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by Cityteam disciple makers. This distinctive process focuses on equipping spiritual leaders in communities where churches are planted. Unlike many evangelism and church growth products that focus on quick results, contagious disciple making takes time to cultivate spiritual leadership, resulting in lasting disciple making movements. Through *Contagious Disciple Making*, readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church. Features include: Engagement tools for use in the field; Practical techniques to equip others to make disciples.

Pioneering Movements Steve Addison, 2015-11-09 Jesus pioneered something completely new in human history: a dynamic missionary movement intent on reaching the world. What does it take to lead movements like that today? Steve Addison shows how to follow Jesus' example, offering a vision of apostolic leadership that embraces Jesus' mandate to make disciples of all nations in all places.

No Shortcut to Success Matt Rhodes, 2021-12-28 Avoid Get Rich Quick Missions Strategies and Invest in Effective Long Term Ministry. Trendy new missions strategies are a dime a dozen, promising missionaries monumental results in record time. These strategies report explosive movements of people turning to Christ, but their claims are often dubious, and they do little to ensure the health of believers or churches that remain. How can churches and missionaries address the urgent need to reach unreached people without falling for quick fixes? In *No Shortcut to Success*, author and missionary Matt Rhodes implores Christians to stop chasing silver bullet strategies and short-term missions, and instead embrace theologically robust and historically demonstrated methods of evangelism and discipleship: the same ones used by historic figures such as William Carey and Adoniram Judson. These great missionaries didn't rush evangelism; they spent time studying Scripture, mastering foreign languages, and building long-term relationships. Rhodes explains that modern missionaries' emphasis on minimal training and quick conversions can result in slipshod evangelism that harms the communities they intend to help. He also warns against underestimating the value of individual skill and effort under the guise of getting out of the Lord's way and empowers Christians with practical biblical steps to proactively engage unreached groups.

Awake and Arise the Dying of the American Church Dr. Stan Mars,2019-09-05 The majority of churches in America are either dying or dead This is due to the sin of disobedience by man through the rejection and refusal to obey the commandments of God especially in John 13 34 35 and Matthew 28 19 20 Jesus commands us to GO into all nations and make disciples and this is an act of love for God and others You will learn that most churches are not in this business so they do not make any disciples and importantly they don't make leaders of disciples Awake and Arise calls for the reformation of the American Church to begin to do God's church God's way If the church will adhere and obey they will find revival offered by God If the church continues to refuse they will find the same experience that the Church of Laodicea found in the spewing out by Jesus Christ To the glory of God let us be humble and pray for forgiveness and move to God for His blessings to begin this journey

The Missiology behind the Story Jonathan Andrews,2019-04-30 In the twenty first century the Middle East

and North Africa MENA region has faced many challenges conflict changes of governments terrorism trauma yet new opportunities have opened up for local churches to demonstrate the love of God and bless their communities This book provides a fresh look at the theology driving Christian mission and at emerging ministry models by addressing ten aspects of missio Dei in the Middle Eastern context Subjects such as church planting discipleship media and peace building are introduced with their historical background and contemporary stories and case studies of transformative work in the MENA region As the book examines these topics we see how mission in the Middle East is no longer from the West to the rest but is now characterized as from everywhere to everywhere All Christians will find in these contributions important biblical principles for their own context to follow Jesus Christ and bear witness to him Readers are also reminded that hardship does not have to be an obstacle to the church living out the mission of God as salt and light and there is much the global church can learn from the activities of Christians in MENA countries While each chapter in this book focuses on a particular aspect of mission churches must be holistic in transforming lives and to this end societies and this book is a gift from the MENA church to the rest of the body of Christ
