Why are there so many translations of the Bible and what is the difference between them Does it make a difference which version you read Are they all the same In Defense of the King James Bible presents a clear scriptural argument for the unadulterated Word of God which is unique to the King James Version Bible To prove the originality and uniqueness of this particular translation of Scripture the author devotes a majority of the study to the comparison of verses from the King James Version Bible and other translations It is startling to discover the omission and perversions of Scripture that change the meaning of verses and sound doctrine Journey with the author as he examines the Bible and Spirit of Prophecy to gain a deeper understanding of God s Word and its importance in preparing us for Christ s Second Coming **Defending the Faith** Dr Henry Morris, 2022-06-30
