Democracy and Empire A. E. Duchesne, 1916 *Quarterly Bulletin of the Providence Public Library* Providence Public Library (R.I.), 1918 *Library Bulletin of the University of St. Andrews* University of St. Andrews, 1920 **The Civic Conversations of Thucydides and Plato** Gerald M. Mara, 2008-07-15 This book argues that classical political philosophy represented in the works of Thucydides and Plato is an important resource for both contemporary democratic political theory and democratic citizens By placing the Platonic dialogues and Thucydides History in conversation with four significant forms of modern democratic theory the rational choice perspective deliberative democratic theory the interpretation of democratic culture and postmodernism Gerald M Mara contends that these classical authors are not enemies of democracy Rather than arguing for the creation of a more encompassing theoretical framework guided by classical concerns Mara offers readings that emphasize the need to focus critically on the purposes of politics and therefore of democracy as controversial yet unavoidable questions for political theory *Library Bulletin of the University of Saint Andrews* University of St. Andrews. Library, 1920 *Democracy Promotion and Foreign Policy* D. Huber, 2015-04-26 Democracy promotion is an established principle in US and EU foreign policies today but how did it become so This comparative study explores the promotion of democracy focusing on exponents from emerging democracies alongside more established Western models and investigates the impact of democratic interests on foreign policy **Bulletin ...** , 1920 *Bulletin ...* University of St. Andrews.
