Raising Raffi Keith Gessen, 2022-06-07 A wise mild and enviably lucid book about a chaotic scene Dwight Garner The New York Times Memoirs of fatherhood are rarely so honest or so blunt Daniel Engber The Atlantic An instant classic M C Mah Romper NAMED A MOST ANTICIPATED BOOK OF 2022 BY LIT HUB THE MILLIONS An unsparing loving account of fatherhood and the surprising magical and maddening first five years of a son s life I was not prepared to be a father this much I knew Keith Gessen was nearing forty and hadn t given much thought to the idea of being a father He assumed he would have kids but couldn t imagine what it would be like to be a parent or what kind of parent he would be Then one Tuesday night in early June the distant idea of fatherhood came careening into view Raffi was born a child as real and complex and demanding of his parents energy as he was singularly magical Fatherhood is another country a place where the old concerns are swept away where the ordering of time is reconstituted where days unfold according to a child s needs Whatever rulebooks once existed for this sort of thing seem irrelevant or outdated Overnight Gessen s perception of his neighborhood changes suddenly there are flocks of other parents and babies playgrounds and schools that span entire blocks Raffi is enchanting as well as terrifying and like all parents Gessen wants to do what is best for his child But he has no idea what that is Written over the first five years of Raffi s life Raising Raffi examines the profound overwhelming often maddening experience of being a dad Gessen traces how the practical decisions one must make each day intersect with some of the weightiest concerns of our age What does it mean to choose a school in a
