

The book cover features a detailed, ornate border. At the top, there are illustrations of various navigational instruments: a sextant on the left, a celestial globe in the center, and a quadrant on the right. Below these, the border is filled with intricate designs, including two large circular diagrams on the left (one showing a celestial sphere with intersecting orbits, the other a similar diagram with different lines), and two large circular diagrams on the right (one showing a celestial sphere with a prominent equator, the other a similar diagram). The bottom section of the border contains a map of the world, showing the continents of North America, South America, Europe, Africa, Asia, and Australia, with various geographical features and labels. The title is centered within a white, arched frame.
