

Chaucer

Sources and Backgrounds

Edited by Robert P. Miller

Chaucer Sources And Backgrounds

Peter W. Travis, Frank Grady

Chaucer Sources And Backgrounds:

Chaucer Robert P. Miller, 1977 One of the most comprehensive collections of primary source material available for the study of Chaucer's works selections from a large number of writers regarded by Chaucer and his contemporaries as authorities in matters ranging from reading to romantic love chivalric ideals to antifeminist charges marriage to human destiny The selections are drawn from works which Chaucer is known to have used as well as other works representing significant medieval attitudes towards matters with which he like many other authors of his day concerned himself

Approaches to Teaching Chaucer's Canterbury Tales Peter W. Travis, Frank Grady, 2014-01-01 Chaucer's Canterbury Tales was the subject of the first volume in the Approaches to Teaching series published in 1980 But in the past thirty years Chaucer scholarship has evolved dramatically teaching styles have changed and new technologies have created extraordinary opportunities for studying Chaucer This second edition of Approaches to Teaching Chaucer's Canterbury Tales reflects the wide variety of contexts in which students encounter the poem and the diversity of perspectives and methods instructors bring to it Perennial topics such as class medieval marriage genre and tale order rub shoulders with considerations of violence postcoloniality masculinities race and food in the tales The first section Materials reviews available editions scholarship and audiovisual and electronic resources for studying The Canterbury Tales In the second section Approaches thirty six essays discuss strategies for teaching Chaucer's language for introducing theory in the classroom for focusing on individual tales and for using digital resources in the classroom The multiplicity of approaches reflects the richness of Chaucer's work and the continuing excitement of each new generation's encounter with it

Chaucer's Approach to Gender in the Canterbury Tales Anne Laskaya, 1995 This volume presents a feminist approach to the Canterbury Tales investigating the ways in which the tensions and contradictions found within the broad contours of medieval gender discourse write themselves into Chaucer's text Four discourses of medieval masculinity are examined which simultaneously reinforce and resist one another heroic or chivalric Christian courtly love and emerging humanist models Each chapter attempts to negotiate both contemporary assumptions of gender construction and essentialist readings of gender common to the middle ages throughout the author argues that the Canterbury Tales offer a sophisticated discussion of masculinity and that it strongly indicts some of the prevalent medieval notions of ideal masculinity while still remaining firmly homosocial and homophobic The book concludes that on the question of gender issues the Tales are best studied as male authored texts containing representations and negotiations revealing much about late medieval masculinities Dr ANNE LASKAYA teaches in the English Department at the University of Oregon

Chaucer's Agents Carolyn Van Dyke, 2005 Chaucer's Agents draws on medieval and modern theories of agency to provide fresh readings of the major Chaucerian texts Collectively those readings aim to illuminate Chaucer's responses to two great problems of agency the degree to which human beings and forces qualify as agents and the equal reference of agent to initiators and instruments Each chapter surveys medieval

conceptions of the agency in question allegorical Realities intelligent animals pagan gods women and the author and then follows that kind of agent through representative Chaucerian texts Readers have long recognized Chaucer's interest in questions of causation Van Dyke shows that his answers to those questions shape even constitute his narratives Fairleigh Dickinson University Press

Chaucer's Women: Nuns, Wives and Amazons P. Martin, 1996-07-12 In this challenging study Priscilla Martin investigates the subjects of women sex and gender in Chaucer's poetry She argues convincingly that these are Chaucer's major subjects and that he presents them as an area of human experience fraught with problems Women instead of producing texts and meanings themselves are trapped in the books and meanings of others and so the Madonna and the courtly heroine the nun and the wife are familiar but questionable images of constructed femininity an intelligent sensitive fresh and close reading which focuses upon Chaucer's women unconventional and subtle John J McGavin Times Higher Education Supplement

Chaucer's Squire's Tale, Franklin's Tale, and Physician's Tale Kenneth Bleeth, 2018-11-19 The latest volume in the Chaucer Bibliographies series meticulously assembled by Kenneth Bleeth is the most comprehensive record of scholarship on Chaucer's Squire's Tale Franklin's Tale and Physician's Tale

Chaucer's Knight's Tale Monica E. McAlpine, 1991-01-01 As the first of the Canterbury Tales the Knight's Tale has been the subject of a vast body of comment by scholars and lay readers Monica McAlpine provides access to this material in the first of the Chaucer Bibliographies series to deal with a narrative portion of that author's best known work

Chaucer's "legal Fiction" Mary Flowers Braswell, 2001 For centuries Chaucer has been associated with law This study however is concerned less with the overt in Chaucer that concerns law than with the concealed and private a specific body of materials records from the medieval English law courts that the poet evidently read studied discussed with colleagues and then threaded into his texts This book examines the effects of those documents on the so called minor poems The House of Fame and The Canterbury Tales

Chaucer's Pilgrims Robert Thomas Lambdin, Laura Lambdin, 1999-04-30 Chaucer's Canterbury Tales is one of the oldest and most widely studied works of English literature The tales provide a glimpse of medieval life and the professions of the pilgrims figure prominently in the poetry To have a clear understanding of Chaucer's work the reader needs to know about the vocations of the pilgrims For some 600 years this information has been difficult to locate This reference work conveniently synthesizes and discusses information about the occupation of each of Chaucer's pilgrims and provides an historical context The volume contains individual entries for each of Chaucer's pilgrims and the entries share a similar format to foster comparison Each entry includes three parts First the pilgrim's profession is discussed in terms of the daily routine of the medieval occupation Second the vocation is examined in terms of its reflection in the tale told by the pilgrim Third the vocation and the tale are discussed when possible in relation to the descriptions of the characters provided in the General Prologue Each entry includes a bibliography and the volume concludes with a list of works for further reading

Chaucer's Pardoner's Prologue and Tale Marilyn Sutton, 2000-01-01 The Chaucer Bibliography series aims to provide annotated

bibliographies for all of Chaucer's work This book summarizes 20th century commentaries on Chaucer's Pardoner's Prologue and Tale

Chaucer Sources And Backgrounds Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has be more evident than ever. They have the capability to inspire, provoke, and ignite change.
