Chasing Memories :

The Concept of Chasing Memories Shelley Le'Love,2016-02-20 This story is about a little girl who is trying to find out who she is She has travelled some dangerous path in life trying to seek for answers Everyone she turns to for help tends to mistreat her lie on her talk about her just to earn a name for themselves She begins to think God wasn't even on her side and didn't think he heard her cries The little girl began to realize that God was all she had to depend on when certain people treated her as if she was a walking animal But there were days she thought otherwise The young lady realized after being left with numerous questions and unknown answers that life was difficult for her Because of that no one could define who she was except herself *Chasing Memories* Ellie Wade,2015-12-07 *Parde ke Peechhey* Ila Arun,Anjula Bedi,2024-11-21 Ila Arun burst into public view with the controversial song from *Khal Nayak* 1993 *Choli Ke Peechhey* But several years before that she was already well known for her contribution to Rajasthani folk music Mumbai soon became her home and it was in this city of glamour that Ila made a name for herself in every genre of the performing arts film television music and playback singing and also as a composer and lyricist In the course of her creative journey of almost fifty years Ila has been associated with several of the best known names in this field actors and directors singers and music directors classical and folk singers who appear as characters in her story Her passion however remains theatre A writer herself with several original plays and many adaptations to her credit this is her first book an autobiography which records her life from childhood to the present It is an honest depiction of her successes and disappointments in the world of theatre film and music Told in her inimitable style with sincerity and a touch of humour this is Ila at her candid best sharing a glimpse into her life and experience onstage and backstage *parde ke peecheh* *Chasing Memories* Cindy Bauer,2008 **Chasing Memories - First in the Memory Box Trilogy** Cindy Bauer,2008-08-04 Steven and Laura Thompson have the ideal marriage and the birth of Annie only strengthens their bond Life seems perfect until everything changes in an instant with one man's careless decision leaving Laura a widow Laura struggles to move on with life but unimaginable tragedy strikes again While shoveling her elderly neighbor's snowy walk a careening car slams into her on an icy street resulting in no memory of either Steven or Annie Laura grapples to make sense of the missing pieces of her past while living in the present with a daughter she can't remember a friend she must learn to trust and a future filled with uncertainties A memory box handcrafted by her elderly neighbor and given to her at Christmas is filled with precious mementos in the hopes she will one day remember As Laura fights for survival her eventual surrender to a God of love brings hope healing and wholeness to her shattered life **DIGITAL HEALING** Heidi Heft LaPorte,2013-05-14 This book was written following the death of both of my parents I was fortunate to have spent time with both of them before they died and was with each of them at the time of their death Love was the foundation of our relationship but it is also true that the relationship with each parent was complex and that there were unresolved feelings after they passed away We each cope with loss differently In my case the loss was accompanied by a fl

are up of nerve pain from an old injury that I can only describe as searing burning penetrating and relentless I chose the title Digital Healing because as a digital artist I found peace in the process of creating even when in pain I have also found a community of like minded artists and socially conscious individuals with whom I have been able to share my work on Facebook Some say that there are creative urges within each of us These urges have led me to a path toward healing through digital art exploring colors and movement Using the computer as my paintbrush I found a way to look at challenging events in my own past go back and retouch those narratives with color and light and move forward I hope you enjoy the images and poetry and even more that you find your own journey of healing Namaste Chasing Memories Anna James,2018-02-05
