Chase Elementary School:

A Pictorial History Of H.S. Chase Elementary School Highbury Press LLC, Michael Griffin, 2022-05-18 A Pictorial History of H S Chase Elementary School is composed in the Waterbury school's centennial year with 2022 marking 100 years since the oldest sections of the current site were built and the school was named in honor of Henry Sabin Chase. While 1922 was the year that construction began on a new school building, the history of the school and district on the eastern side of Waterbury goes much further back in time. This book presents a journey through that history dating back to when the area was known as the Saw Mill Plain section of Waterbury and one of its fourteen school districts in the mid 1800s. The city's development into a center of manufacturing by the 1900s led to a boost in population requiring a growing need to enlarge the school system to accommodate the increases in enrolled students. Expansions of Mill Plain School, later named H S Chase School, helped meet those needs and the school continues to serve residents in the East End of Waterbury. While no longer a full K-8 school, Chase's history serves as a reflection of a broader school system adapting to changing times. **Excellence in Education**, 1990 **Mathematics & Economics** National Council on Economic Education, Sarapage McCorkle, 2002 Created specifically for middle school mathematics teachers, this publication shows how mathematics concepts and knowledge can be used to develop economic and personal financial understandings. **Chase Elementary 1939-2014** E. Farrell Maddox, 2017-06-23 This book was created for the 75th celebration of Chase Elementary School. It is filled with pictures and stories that depict the 75 years of service to children in the eastern region of Baltimore County, Maryland. *Directory of Elementary and Secondary School Districts, and Schools in Selected School Districts*, 1980 American School & University, 1929 *Middle River Employment Center Access Study, Section 4(f) Evaluation, Baltimore County*, 2001 *The National Gazetteer of the United States of America--Indiana*, 1988 Geological Survey (U.S.), 1988 Congressional Record United States Congress, 1994 *National Defense and Perkins (national Direct) Student Loan Program Directory of Designated Low-income Schools for Teacher Cancellation Benefits for ...*, 1987
