Che Guevara The Making Of A Revolutionary Life Portraits:

Che Guevara: The Making of a Revolutionary Samuel Willard Crompton, 2009-01-01 Chronicles the life and accomplishments of the Latin American revolutionary and guerrilla fighter *Che Guevara* Kate Havelin, 2006-08-15 A biography of the revolutionary leader who befriended Fidel Castro and helped guerrilla forces overthrow the government of Cuba

Che Guevara's Face Danielle Smith-Llera, 2016-08 Discusses the iconic photograph of revolutionary Che Guevara taken in 1960 by Cuban photographer Alberto Korda *Che* Jon Lee Anderson, 2018-11-13 A remarkable accomplishment one that belongs next to such works of graphical history as the March series and Shigeru Mizuki's Showa books By foregrounding the tension between myth and truth Che illuminates the present state of our politics as well as the past NPR The graphic adaptation of the groundbreaking and definitive biography of Che Guevara Che Guevara's legend is unmatched in the modern world Since his assassination in 1967 at the age of thirty nine the Argentine revolutionary has become an internationally recognized icon as revered as he is controversial As a Marxist ideologue who sought to end global inequality by bringing down the American capitalist empire through armed guerrilla warfare Che has few rivals in the Cold War era as an apostle of revolutionary change In *Che A Revolutionary Life* Jon Lee Anderson and Jos Hernandez present the man behind the myth creating a complex and human portrait of this passionate idealist Adapted from Jon Lee Anderson's definitive masterwork Che vividly transports us from young Ernesto's medical school days as a sensitive asthmatic to the battlefields of the Cuban revolution from his place of power alongside Castro to his disastrous sojourn in the Congo and his violent end in Bolivia Through renowned Mexican artist Jos Hernandez's drawings we feel the bullets wing past the head of the young rebel in Cuba we smell the thick smoke of his and Castro's cigars and scrutinize his proud face as he's called Comandante for the first time With astonishing precision color and drama Anderson and Hernandez's Che makes us a witness to the revolutionary life and times of Che Guevara

Che Guevara Jon Lee Anderson, 1997 Making use of unprecedented access to Guevara's personal archives his guerrilla cohorts and Cuban government archives an exhaustive biography traces the life of the Latin American communist revolutionary *Revolutionary Pairs* Larry Ceplair, 2020-07-21 A political historian examines five of the twentieth century's most significant revolutions and the partnerships that led the way Successful revolution requires two triggering elements a crisis or conjuncture and revolutionary actors who are organized in a dedicated revolutionary party armed with a radical ideology and poised to act While previous revolutions were ignited by small collectives many in the twentieth century relied on strategic relationships between two exceptional leaders Marx and Engels Communism Lenin and Trotsky Russia Ghandi and Nehru India Mao and Zhou China and Castro and Guevara Cuba These partnerships changed the world In *Revolutionary Pairs* Larry Ceplair tells the stories of five revolutionary struggles through the lens of famous duos While each relationship was unique Castro and Guevara bonded like brothers Mao and Zhou like enemies in every case these leaders seized the opportunity for revolution and recognized they could not succeed without the other The first cross cultural

exploration of revolutionary pairs this book reveals the undeniable role of personality in modern political change *Fidel Castro* Nick Caistor,2013-06-01 Fidel Castro had ruled the island of Cuba for fifty two years when ill health forced him to step down in 2008 Over the course of that time he changed Cuba from a republic to a communist state and became one of the most divisive leaders in the second half of the twentieth century For some he is a champion of humanitarianism socialism and environmentalism For others he is a monster and dictator who perpetuated human rights abuses at home and abroad Providing a rare evenhanded account of Castro s life journalist Nick Caistor brings together interviews with people who have known Castro with discussion of the ideas that drove him Caistor follows Castro s life from his birth as the illegitimate son of a wealthy farmer in 1926 to the developing of his leftist anti imperialist ideas at the University of Havana and his primary role in the Cuban Revolution in the 1950s He explores Castro s economic and military alliance with the Soviet Union and his hostile relationship with the United States while also looking at how he simultaneously introduced free health care and education while squelching freedom of the press and suppressing dissidents As Caistor shows Castro s numerous writings on politics capitalism and other topics have influenced leaders from Nelson Mandela to Hugo Ch vez but allegations of corruption human rights abuses and dictatorship never ceased during his long career Using stories and opinions to enliven the debate about Castro s choices strengths and weaknesses this concise biography gives readers the opportunity to judge for themselves how they feel about the former Cuban president ERNESTO CHE GUEVARA Marcos A. Alvarez,2013-02-12 This book is a compilation of facts and ideas expressed by Guevara in his own speeches essays interviews working papers diary and others from conversations of family members friends subordinates and Castro including information from his best known biographers and supporters persuasive works published in Cuba and out after Che s death in Bolivia This was when he was not a threat to Fidel Castro s megalomania when Guevara did not constitute anymore a danger to Fidel s dream of becoming a hero and he would be the most important politician in America even perhaps in the whole world At that moment it was very important for Castro to use his limitless power in the Cuban government to develop the instrumentality necessary to transform Che s figure in what he is today an icon *Spies-C.I.A-Lies-Terrorist-Che Guevara* Evelyn Guevara Lohmann,2017-03-14 The reality of the propaganda Hero Che Guevara only came to light when I started to look for my birthparents My first shock was he was still alive I met him he was my father but everyone has to die sometime he died on 1 1 2017 After sixteen years of research and many questions Che Guevara could have answered I found out how he was created into a propaganda hero Visual evidence underlines how the fake was created **Comrades in Health** Anne-Emanuelle Birn,Theodore M. Brown,2013-07-02 Since the early twentieth century politically engaged and socially committed U S health professionals have worked in solidarity with progressive movements around the world Often with roots in social medicine political activism and international socialism these doctors nurses and other health workers became comrades who joined forces with people struggling for social justice equity and the right to health Anne Emanuelle Birn and

Theodore M Brown bring together a group of professionals and activists whose lives have been dedicated to health internationalism By presenting a combination of historical accounts and first hand reflections this collection of essays aims to draw attention to the longstanding international activities of the American health left and the lessons they brought home The involvement of these progressive U S health professionals is presented against the background of foreign and domestic policy social movements and global politics
