San Diego State University and currently lives in San Francisco with her husband and their dog EXCERPT FROM THE BOOK
It s no longer a rarity to find a credit card provider that offers you airline miles with your purchases According to
CompareCards com airline credit cards let the cardholder rack up miles points or similar value which can then be converted
into a free ticket to fly to a favorite destination So if you are already using a credit card why not also get miles toward a flight
Although most of these cards do have annual fees they still have similar interest rates to other credit cards that don t provide
air travel rewards which means when all said and done you are still getting a really cheap flight Buy a copy to keep reading
