Cheap Hotels Near Foxwoods:

Casino Gambling in America K. J. Meyer-Arendt, Rudi Hartmann, 1998 *Native Americans Today* Bruce E. Johansen, 2010-06-22 This engaging collection of Native American profiles examines these individuals' unique life experiences within the larger context of U S history. *Native Americans Today: A Biographical Dictionary* focuses on the lives of contemporary Native Americans. Such treatments are rare as most Native American biographies are historical, pre 1900 and cover familiar figures. Profiles collected here are written to be enjoyable as well as instructive, presented as examples of personal storytelling that should be savored not only for their factual content but also for the humanity they evoke. The book spotlights Native American lives in the United States and Canada, mainly after 1900, though a few older figures are included because their lives evoke strikingly modern themes. The author, an expert on all things Native American, knows or knew several of the people in the entries, adding a special vibrancy to the writing. Among those profiled are former U S Senator Ben Nighthorse Campbell, activist Eloise Cobell, and controversial political prisoner Leonard Peltier, as well as writers, artists, and musicians. The compilation also includes non Native Americans whose lives and careers impacted Indian life. Roadtripping USA Let's Go Inc., 2005-04 All one needs is this book, a full tank of gas, and the open road to take advantage of these classic American cross country journeys distilled into one volume for the first time. The book highlights the best experiences along each route while providing maps, lodging, and food listings, and practical tips.
