Secondary School Literacy Leslie S. Rush,A. Jonathan Eakle,Allen Berger,2007 This collection is an authoritative resource that draws on the knowledge and expertise of outstanding scholars and provides crucial information about research theory and practice related to secondary school literacy Leading scholars along with newer researchers in literacy education address topics such as the impact of state and federal mandates on literacy instruction in secondary classrooms English language learners and online reading comprehension Chapter authors include Richard L Allington Donna E Alvermann Kathleen A Hinchman Robert T Jim nez Kevin M Leander Alfred W Tatum and Robert J Tierney among others Each chapter contains rich discussions of current research as well as practical classroom applications As one reviewer noted Each and every chapter is well documented and presents clearly established implications for teaching tied to the latest research findings One of the major strengths of this edited volume lies in the way it points to a remarkable consistency across research findings representing a broad spectrum of disciplinary arenas This volume is a welcome addition for any teacher administrator or district looking to implement sound research based classroom practice and professional development

The Gothic's Gothic (Routledge Revivals) Benjamin Franklin Fisher IV,2016-05-05 First published in 1988 this book aims to provide keys to the study of Gothicism in British and American literature It gathers together much material that had not been cited in previous works of this kind and secondary works relevant to literary Gothicism biographies memoirs and graphic arts Part one cites items pertaining to significant authors of Gothic works and part two consists of subject headings offering information about broad topics that evolve from or that have been linked with Gothicism Three indexes are also provided to expedite searches for the contents of the entries This book will be of interest to students of literature

Spectral Readings G. Byron,D. Punter,1999-08-02 These essays explore some of the most significant current issues concerning the terrain of the Gothic perspective offering a variety of possible answers to the crucial question What is Gothic The collection begins by addressing general issues about the locations and structure of Gothic this is followed by various considerations of Gothic as a specific historical phenomenon linked with specific aspects of British American and European society and finally by an exploration of Gothic writing during recent decades

Davidson, Klaus R Sherer, H. Hill Goldsmith, 2009-05-21 One hundred stereotype maps glazed with the most exquisite human prejudice especially collected for you by Yanko Tsvetkov author of the viral Mapping Stereotypes project Satire and cartography rarely come in a single package but in the Atlas of Prejudice they successfully blend in a work of art that is both funny and thought provoking The book is based on Mapping Stereotypes Yanko Tsvetkov's critically acclaimed project that became a viral Internet sensation in 2009 A reliable weapon against bigots of all kinds it serves as an inexhaustible source of much needed argumentation and occasionally as a nice slab of paper that can be used to smack them across the face whenever reasoning becomes utterly impossible The Complete Collection version of the Atlas contains all maps from the previously published two volumes and adds twenty five new ones wrapping the best selling series in a single extended edition
