CDL Test Dynamic Prep Al Morton, 2013-11-05 CDL Test Dynamic Prep workbook is intended to help you be more successful on a real CDL written test. If you like to study the test questions with right answers then this product is for you. The information on this book has organized layout included so you do not have to figure out the approach to learning material on your own in other words how to start and where to end. This has already been done for you so relax learning doesn't have to be painful. The class of the Commercial Driver license refers to the weight of the vehicle. Class B: Any single vehicle with GVWR of 26,001 or more pounds or any such vehicle towing another in excess of 10,000 pound. To obtain the CDL permit class B applicants required to pass the written Knowledge Test as well as Air Brakes endorsement if applicable. General Knowledge is a written test sections 2-4 of your state CDL manual that covers all of the others in a little detail. It's just to get a basic idea of what the kind of vehicles you may be driving and what different rules you have to follow depending on the vehicle. Air Brakes is a written test section 5 of your state CDL manual that deals strictly with the braking system on heavy vehicles you'll be driving. It informs you on the lack of air pressure in the system during normal driving which is referred to as brake lag distance. It also deals with the driver's perception distance reaction distance which do effect the time it will take to stop loaded vehicle and what will happen in a skid. What you get CDL general knowledge test 105 questions answers organized into three smart practice tests with detailed prep descriptions. CDL air brakes test 30 questions answers organized into three smart practice tests with detailed prep descriptions. CDL Test Dynamic Prep is good for all 50 states.

CDL Test Dynamic Prep Al Morton, 2020-01-20 Since the Federal Government established regulations for the commercial driver's license CDL ALL STATES test drivers on the same material. Today's professional truck drivers must know and understand a large amount of information to keep our highways safe. This publication CDL TEST DYNAMIC PREP designed to help you rapidly learn material you will be tested on using questions with right answers like those you will see on the actual CDL written test. The information contained in this book is presented in such a way that you will not be left alone to figure out how to learn material on your own. The practice questions in this Workbook are organized into three related practice tests for each exam to help you quickly and effectively internalize the information. It is design to refer you just to the right page of state issued CDL manual for any necessary explanations of material you will be tested on to resolve any misunderstanding you may have about question and or answers. The innovative simple to follow self study program contained in this book recommended as a useful tool for anyone studying to take the CDL written test. What is a Class C CDL? A Class C commercial driver's license is required to operate a vehicle that is designed to seat more than 15 persons including the driver or transport hazardous materials HazMat that are classified as hazardous under Federal Law. With a Class C CDL and the proper endorsements you may drive the following types of vehicles: Small HazMat vehicles, Passenger vans, Combination vehicles not covered by Classes A or B. EXAMPLE: A small truck towing a trailer.
