Chapters 1-62 Summaries

Chapter 1

Chapter 1 of "The Maze Runner" introduces readers to the protagonist, Thomas, who wakes up in complete darkness, disoriented and unable to remember anything about himself or his past. As he regains consciousness, he discovers that he is in a small, metal box-like structure with no windows or doors. Panic sets in as he struggles to recall his identity and how he ended up in this bewildering situation.

Thomas finds himself in an open area surrounded by a group of boys who are roughly his age. These boys, who introduce themselves as Gladers, inform Thomas that he has arrived in the Glade—a large, enclosed space located in the center of a massive maze. The Glade is a self-sustained community where the boys live and work.

As Thomas attempts to process this bewildering information, he notices the towering stone walls of the maze that encircle the Glade. The walls are colossal and seemingly insurmountable, instilling a sense of foreboding and imprisonment. The boys explain that the maze is filled with deadly creatures called Grievers, and anyone caught outside the Glade at night risks being attacked.

Thomas is struck by the peculiar rules and routines of the Gladers. Each boy has a designated role, from Runners who explore the maze to Builders who construct and maintain the living quarters. The society they've built is
