Made in Spain José Andrés, 2012-07-24 Americans have fallen in love with Spanish food in recent years, and no one has done more to play matchmaker than the award-winning chef Jos Andrés. In this irresistible companion volume to his public television show *Made in Spain*, Jos reminds us in the most alluring and delicious way that the food of his native Spain is as varied and inventive as any of the world's great cuisines. To prove it, Jos takes us on a flavorful tour of his beloved homeland from Andalusia to Aragón. Along the way, he shares recipes that reflect not just local traditions but also the heart and soul of Spain's distinctive cooking. In the Basque Country, we discover great fish dishes and the haute cuisine of some of the finest restaurants in the world. In Cantabria, famous for its dairy products, we find wonderful artisanal cheeses. In Valencia, we learn why the secret to unforgettable paella is all in the rice. And in Castilla-La Mancha, Jos shows us the land of the great Don Quixote, where a magical flower produces precious saffron. The dishes of *Made in Spain* show the diversity of Spanish cooking today as it is prepared in homes and restaurants from north to south, from casual soups and sandwiches to soul-warming dishes of long-simmered beans and artfully composed salads. Many dishes showcase the fine Spanish products that are now widely available across America. Many more are prepared with the regular ingredients available in any good supermarket.
