

Certified Medical Billing Specialist (CMBS) Study Guide Certification Program

Our **CMBS study guide** is a collection of over 200 questions including an answer key, practical billing scenarios (completing the 1500 forms) and a Mock certification exam. The Mock exam hosts the same type of questions that will be found on the actual certification exam. We include the answer key and instructions for the Mock exam as well.

When you successfully pass the Mock exam you will be ready to sit for the **CMBS** exam which you can do in our facility or in an approved proctor facility in your home town. A proctor exam form must be completed before the exam can be sent to a site outside the **PHIA** facility. When you are ready to sit for the **CMBS** exam you can email or call to request one.

Once you pass the **CMBS** exam and receive your congratulatory letter, you are entitled to use the **CMBS** credential behind your name. You will also be required to earn 16 CEU's per year of medical billing related continuing education. **Prior approval is suggested.**

Prerequisites:
