Dental Office Manuals

Addison Killeen, Mark Costes

Dental Office Manuals:

Dental Office Employee Manual Lovell, Dr Schwindt, 2013-02-15 Employee Manual This is the new employee handbook we have developed for use and modification We have taken this template and expanded it for each of the practice locations If you would like this in a MS Word format for modification please let us know or locate it on the website

DentalPracticeResourceGroup.com The terms used to identify a practice dentist and employee were purposely left generic to allow this manual to stand alone as is without significant modification or to serve as a working template to create a unique manual customized for any practice needs Why reinvent the wheel If your office does not have such a manual or you are just starting your very first practice or perhaps opening a new office Dental Practice Resource Group has the resources and tools to make your life easier Please review the details contained within this document as certain aspects will require change office hours time off paid CE etc Look for our other manuals on common office issues such as OSHA Radiation Safety Exposure to blood and body fluids and more Wishing you the best The Team at Dental Practice Resource Group *Creating and*

Updating an Employee Policy Manual: Policies for Your Practice American Dental Association, 2016-06-01 This resource helps dental practices develop an office policy manual Includes sample policies forms and worksheets to help craft the perfect policy for your dental employee handbook With 99 sample dental office policies sample dental job descriptions templates for forms worksheets and checklists and explanations of at will employment Also offers information on dental staff training including OSHA and HIPAA

Basic Guide to Dental Procedures Carole Hollins, 2015-07-20 Basic Guide to Dental Procedures Second Edition provides an essential introduction to the core preventative and restorative treatments routinely carried out in the modern dental practice Written as a guide for the whole dental team before and after colour photographs enable the reader to understand and explain the procedures to their patient with confidence Each section is clearly structured to cover the reasoning behind the treatment described the relevant dental background the basics of how each procedure is carried out and any necessary aftercare information Key features include Colour photographs throughout combined with concise text to highlight the crucial points of each procedure Suitable for the whole dental team from office support staff to the dentist explaining procedures to a patient Thoroughly updated and revised in line with the substantial changes to the role and professional obligations of the dental nurse including a new chapter detailing extended duties The new images of tray set ups means it is an ideal companion for trainee dental nurses studying for the NEBDN OSCE exam

Dental Office Operations Manual Addison Killeen, Mark Costes, 2022 **Dental Office Procedures Manual** Ann Beard Ehrlich, 1993 **Dental Systems Manual** Tuan Pham, 2017-01-28 Are you looking for effective systems for your dental office With this book you will be able to train your employees and provide your office with systems that can be customized This book which comes from the empowering Dental Maverick training program is the essential systems training manual for your dental office This is the exact manual that general dentist Dr Tuan Pham uses in his office to train his employees and is

written in simple terms so that every employee from front desk to clinical staff can be easily trained and therefore establish a calibrated baseline of knowledge Calibration of all staff will lead to similar explanation of needed treatment as a patient flows through your office and therefore increase your treatment plan acceptances This book starts with the basic explanations of procedures and continues with detailed instructions for insurance verification and unscheduled treatment recall follow up protocol The following topics are covered 1 Explanations of types of x rays with codes and why they are taken and needed 2 Office flow with soft tissue perio management program and how to implement 3 Summary of dental procedures including codes and what and why such treatment are needed These are explained in simple terms so that everyone can effectively relay the importance to patients 4 Co diagnosis forms for patient flow throughout the office These forms help each staff member know what needs to be done and to quickly relay likely treatment to doctors 5 Insurance verification forms and instructions of why these codes are requested 6 Unscheduled recall follow up system and steps on how to integrate into practice management software 7 Emails to use with follow up systems 8 Information consent forms for patients for certain procedures

Smart Hiring: A Guide for the Dental Office American Dental Association,2004 *Employee Office Manual*,1995 **Best Practice Dental Office Management Manual** Donna Stewart,Donna Stewart Rdh,2014-03-02 The Best Practice Dental Office Management Manual provides a comprehensive and structured dental business management plan for new and existing dental offices These time proven methods will take your practice out of the reactive management approach and transform your front office into a proactive professional operation This valuable manual provides the resources you need to streamline your practice s front office procedures The contents include detailed office policies and procedures concerning lab cases insurance coverage and claim filing dual insurance coverage morning meetings patient information patient inactivation patient and insurance company refunds treatment plans billing collection aged accounts and aged insurance Also included are detailed duties of each front office staff position detailed insurance claim information for dental procedures that require narratives 15 easy to follow action flow charts and sample forms and letters The manual offers an effective checks and balances system that promotes accuracy and attention to detail It also serves as an important training tool and reference for front office staff and ensures continuity in performance with staff transitions and new employees Written office policies and procedures are a must for every dental office Whether yours is a new practice or you ve been practicing for years the Best Practice Dental Office Management Manual provides a clear and concise blueprint for effective and consistent front office operations and management

Standard Operating Procedures for All Dentists Marsha Freeman,2004-10 In the book and accompanying CD Marsha Freeman offers 314 standard operating procedures for the dental office including front and back offices bookkeeping hygiene job descriptions and performance agreements management marketing and related forms Book SOPs are replicated on the CD for easy modification printing and binder insertion
