A Chinese from Singapore Samuel Wong, 2009-03-23 A young Chinese came to the U S for theological training His goal was to become a pastor teacher in Singapore Upon graduation he returned to Singapore with his Caucasian wife to fulfill his obligations and to do post graduate study concurrently Unwittingly the young couple was entangled in church and secular politics and they had to leave Singapore They began a new life in America

At several critical junctures of the protagonist's career when he was in a relatively comfortable environment he moved out of the comfort zone to tackle a new challenge in response to a higher calling. The detours in his life journey, the prejudice and discrimination in the workplace, the consistent acts of fairness of people of good will, the secrets of his success and the mellowing of his worldview and religious faith are the substance of this unusual book of inspiration. For a deeper appreciation of one who has led a life full of challenges, a life characterized by many successes against high odds and a life replete with recognitions and awards in secular and religious settings, I invite you to read on.
