Civil Society Berlin Perspectives European Civil Society:

Civil Society John Keane, 2007-09-01 At the moment no other European city attracts so much fascination as the city of Berlin An unrivalled symbol of modern urban life Berlin is a dynamic city whose inhabitants in the course of the past two centuries have lived through both the rapid growth and the violent destruction of the institutions of civil society several times over This volume situates itself within these developments by presenting for the first time in English a sample of the best recently written essays on contemporary civil societies their structural problems and their uncertain future written by scholars with a close long standing relationship with the city They are pre occupied with a broad sweep of substantive themes but in each case they focus upon one or other of the key trends that are shaping actually existing civil societies

Markets and Civil Society Víctor Pérez Díaz, 2009 Recoge Free markets civil societies and a liberal polity Markets civil society and politics Civil society in transitions to market economies and liberal polities *Civil Society Revisited* Kerstin Jacobsson, Elżbieta Korolczuk, 2017-06-01 In much social scientific literature Polish civil society has been portrayed as weak and passive This volume offers a much needed corrective challenging this characterization on both theoretical and empirical grounds and suggesting new ways of conceptualizing civil society to better account for events on the ground as well as global trends such as neoliberalism migration and the renewal of nationalist ideologies Focusing on forms of collective action that researchers have tended to overlook the studies gathered here show how public discourse legitimizes certain claims and political actions as true civil society while others are too often dismissed Taken together they critique a model of civil society that is made from above State and Civil Society in Northern Europe Lars Trägårdh, 2007 In neo liberal political and economic climate it is suggested that a state stands in opposition to an autonomous civil society This book offers insights into the dynamics of state and civil society relations against trends of undermining the importance of the welfare state and presents autonomous civic participation as the only way forward Civil Society and Gender Justice Karen Hagemann, Sonya Michel, Gunilla-Friederike Budde, 2008 Civil society and civic engagement have increasingly become topics of discussion at the national and international level The editors of this volume ask does the concept of civil society include gender equality and gender justice Or to frame the question differently is civil society a feminist concept Conversely does feminism need the concept of civil society This important volume offers both a revised gendered history of civil society and a program for making it more egalitarian in the future An interdisciplinary group of internationally known authors investigates the relationship between public and private in the discourses and practices of civil societies the significance of the family for the project of civil society the relation between civil society the state and different forms of citizenship and the complex connection between civil society gendered forms of protest and nongovernmental movements While often critical of historical instantiations of civil society all the authors nonetheless take seriously the potential inherent in civil society particularly as it comes to influence global politics They demand however an expansion of both the concept and project of civil society in order

to make its political opportunities available to all The Languages of Civil Society Peter Wagner,2006 The past two decades have witnessed a revival of the concept of civil society From East Central Europe to Latin America and East Asia to the recent calls for a European civil society and a global civil society the concept signifies the need for national and supra national forms of civic commitment against both unjustified state domination and neo liberal marketization Reviewing the long history of the concept its use in various regional contexts and its place in critical political theory this book takes comprehensive stock of these debates and asks about the potential of the concept of civil society in guiding political transformations towards fuller understandings of liberty and democracy **European Civil Society on the Road to Success?** Matthias Freise,2008 The new challenges of globalization of economy society and politics appear in the Europeanization of social and political networks in different policy areas New forms of citizens involvement in policy processes as well as planning implementation and evaluation require new forms of governance on local regional and European levels as well as global participation of European actors In this process civil society emerged as a political program and as a scientific and theoretical challenge for the social sciences The issue of civil society in the axis of the different fields and directions of political and social research in a European context is the focus of this anthology The book breaks the barriers between the traditional division of labor of European governance and national regional local oriented social and political research Two leading questions are addressed What do civil society organizations contribute to social cultural and leisure time services in the context of Europeanization In a European comparison and at the organizational level what risks and opportunities result from the inclusion of civil society organizations in new concepts of governance Changing Images of Civil Society Bruno Jobert,Beate Kohler-Koch,2010-06-09 Examines the concept of civil society the role attributed to civil society in different countries at different times and historic situations the reasons for its surfacing and its multiple forms in political discourse *Civil Society and Dictatorship in Modern German History* Juergen Kocka,2012-07-03 A consideration of twentieth century German social history and the legacies of the two dictatorships Civil Society in the Age of Monitory Democracy Lars Trägårdh,Nina Witoszek,Bron Taylor,2013-05-01 Since the emergence of the dissident parallel polis in Eastern Europe civil society has become a new superpower influencing democratic transformations human rights and international co operation co designing economic trends security and defense reshaping the information society and generating new ideas on the environment health and the good life This volume seeks to compare and reassess the role of civil society in the rich West the poorer South and the quickly expanding East in the context of the twenty first century s challenges It presents a novel perspective on civic movements testing John Keane s notion of monitory democracy an emerging order of public scrutiny and monitoring of power
