Cast Away : For These Reasons Lambert Timothy James,2019-05-16 *Cast away : for these reasons* Jo M. Sekimonyo,2018-04-14 Do we need an Economic Jihad What can you say about the boring cock fights between Capitalism deities of our time You should be as disgusted as I am of these clown shows that chip away the substance of economic disparity dialogues I have left to the class of economist sloppy cerebral sloths to tiptoeing around of serious issues Instead you the reader and I will be swimming against the torrent current Chapter one through six are exhibits of the case against the current status quo Capitalism And if I see you on the other side of chapter seven please hold my hand tightly from chapter eight through ten Take your time to digest chapter eleven and get yourself prepared for a big slap to your face On the closing argument chapter twelve follows through James Tobin s recommendation Good papers in economics contain surprises and stimulate further work Fifty Five Shades of Political Economy What demon possessed me to write this book Well after walking by giving my spare change to people blinded and asphyxiated by misery in every country I have been lucky or cursed to travel to I asked myself repeatedly what else can I do I was tired of capitalist guardians buffoonery angry of the so called Karl Mark reincarnation ineptness and tired of waiting for a superhero I wrote this book to awake the general public consciousness and put out there a thought provoking solution to the global socio economic plight Stories about inequality have been told on and on Nevertheless I decided to stir the debate onto a new path let s hope that I succeed This book is for everyone who is fed up by the status quo and has been let down by the lumpenintellectuals Let me first reassure most people who could be intimidated to pick up my book once they hear that it is a political economic book it is easier to answer the question of what my book is not about There s no math nor graphs I left it to the economic druids the need of inflating their egos and any smart asses who bamboozle the world with crazy theories that do not stand the test of real life My book is a case against the social economic status quo a roller coaster ride through a volcanic ash cloud for all of us who have been busted bruised and despondent from the current dominant form of economy capitalism And then I hold the reader s hand into the new 21st century paradigm that changes everything And right at the end I provide a real rabble rousing solution I can expect that the only challenge in this book is the new terminology and concepts that I introduce to the readers that they have to adjust to such as Ethosism Translator Jo M Sekimonyo PUBLISHER TEKTIME **The Mysterious Affair at Castaway House** Stephanie Lam,2014-08-28 This stunning debut novel is a gripping read laced with mystery secrets and love perfect for fans of Agatha Christie Tracy Chevalier and Sarah Waters There are secrets hiding between the walls at Castaway House _____ 1924 Robert Carver escapes to the glamorous Castaway House to spend a summer in the company of his much wealthier cousin Alec Bray But appearances can be deceiving and the Brays are a damaged family with even more damaging secrets And little does Robert know that his world is about to change for ever 1965 Rosie Churchill has run away from home and everything she knows to stay at the rundown Castaway House But when she begins to discover a

long buried scandal she soon comes to realise that neither her own troubled past nor that of the house will stay secret for long As Rosie begins to learn more about Robert the further she is drawn into the mysterious history of the house and their stories old and new entwine _____ An incredibly intricate story and wonderfully well written 5 reader review A gripping read with finely wrought characters and lots of rich detail and colour 5 reader review I became totally immersed 5 reader review *Castaway* Edmund Hodgson Yates,1872 **Castaway** Lucy Irvine,2011-04-30 THE SHOCKING STORY OF A DESERT ISLAND DREAM THAT WENT SOUR Writer seeks wife for a year on tropical island The opportunity to escape from it all was irresistible Lucy Irvine answered the advertisement and found herself alone on a remote desert island with a husband she hardly knew Lucy Irvine fell in love with the seductive if cruel beauty of that untouched Eden whose power to enslave and enchant her never slackened throughout the whole of her amazing adventure Uncompromisingly candid and sometimes shocking *Castaway* is her compulsively readable account of a desert island dream which threatened to turn into a nightmare of illness thirst and personal antipathy Now a film by Nicholas Roeg starring Amanda Donohoe and Oliver Reed
