How to reap the rewards while technology works for you Vicente Ribeiro G. Jr. - Osmar André V.,2016-01-14 Enjoy the rewards while technology works for you The title of this E book may appear misleading to some people but it is possible to make clever use of technology to mint money for you while you enjoy the fruits of life Who doesn't want to go on a vacation that never ends But working 9 5 in an office for your boss or running your own small business will never leave you enough time and money to live life king size If you want to live life on your own terms invest your time and money in something that starts to generate a steady stream of income for the rest of your life No I am not asking you to waste your time and money on MLM Multi Level Marketing business schemes or internet marketing business There is one business that requires little investment in terms of time and money but it is so lucrative that it can keep on pouring money in your bank account for a long time to come Have you ever thought of mobile apps as a business Billions of kids men and women across the world are today downloading and using different types of apps in their smartphones and using them for information and entertainment From apps that give information about weather and time to apps helping people to earn money by connecting to stock market software mobile apps have engulfed and invaded our lives If you see around you you will find people busy with one app or another on their smartphones They may be listening to music or chatting with their friends but the fact is that these apps have become an integral part of the lives of most people in modern times If television occupied an important place in the lives of people a decade ago that place has been usurped by these mobile apps these days There are no less than 21 billion mobile apps that have been downloaded by people around the world on just two platforms namely Apple and Android This number means roughly 3 apps per person
