Grabowski, 2018-08-29 The purpose of A Catechism for Family Life Insights from Catholic Teaching on Love Marriage Sex and Parenting is to present the teachings of the Catholic Church as they relate to specific questions in marriage and family life Many Catholics are under catechized and have trouble both understanding and articulating Church teaching on sexuality and marriage to an increasingly challenging culture Pope Francis along with the fathers of the two recent Synods on the Family have called for better formation for those who work in the area of marriage and family life see Amoris Laetitia 202 To address this need we gathered pertinent questions facing men women and pastoral workers in marriage and family life We then found passages relevant to these questions by researching Church documents on marriage and family from the past one hundred years These include papal encyclicals apostolic exhortations and addresses Vatican II documents and the Catechism of the Catholic Church Mainstream media coverage of Church events and Church teaching leads many to misunderstand Catholic positions on marriage and family life While the Catholic Church has developed a rich detailed and positive teaching on marriage family and sexuality many Catholics do not have access to this teaching buried as it is in lengthy Church documents which many find intimidating Finding the relevant teaching to address specific questions is not always a simple task either This book s main contribution is to present Church teaching relevant to marriage and family in one volume clearly organized by topic and question **How To Find Your Soulmate without Losing Your Soul** Jason Evert, Crystalina Evert, 2011-07-25 While navigating through the dating scene every woman begins to wonder How do I know when a guy really loves me Am I being too picky Do I even deserve love Is my relationship worth keeping Is love worth the risk Are any decent guys left Single women often feel left alone to find answers to their deep questions about love and intimacy Some hang out and hook up hoping for love Others are afraid even to hope At some point every woman needs reassurance that she and her standards are not the problem In How to Find Your Soulmate without Losing Your Soul you ll discover twenty one strategies to help you
