Torn Apart Deanndra Hall, 2018-01-16 She opens the door and in a split second her past and her destiny collide Esther Ez Summers could never have prepared herself for what she'd find when that door swung open Standing there big dark and beautiful is someone she's never met someone who's beyond familiar And someone who's going to ask more of her than anyone has in over fifty five million years She's not ready At least she thinks she's not But Austrello a man she'd only met a second before asks her to do the unthinkable and return to her home dimension of Endor She fears she'll be ended as soon as she steps through that portal but her people need her The evil that's fallen upon them is something they can't fight alone They need a hero They need a warrior They need their queen And she needs Alan but she knows this journey will be too much for him too dangerous and possibly too long If she leaves she believes they'll never see each other again She doesn't want to go Austrello doesn't want to go But Alan does and she knows he can't Arrangements are made and concessions are brokered concessions that are undone with one small mistake The third book in the Witch of Endor series *Torn Apart* introduces us to the one person who can lure Ez back to Endor Between the sci fi romance quantum mechanics and theoretical physics is a real world question every soldier in history has asked Are there some things worth the journey when you walk away from love

Bound Together Deanndra Hall, 2020-09-06 Endor's fate rests in their hands And it's game on for Esther Ez Summers and her brother in arms Austrello as they travel back to the dimension of their birth to put to rest a threat that could destroy the beautiful peaceful Endor They know their enemy They have a plan Yet the more they know the less certain they are about the outcome Tutulies everywhere Mass genocide by the ruler who just happens to be Ez's female parent And it doesn't help that Alan Ez's human lover slipped into the dimension of Endor even though he was told not to He only complicates things But with a ready made army an alliance with their biggest enemies to help solidify the possibility of their success and a coven of witches they just might succeed Ez wants to save her fellow Endorians and go back to Earth to become human Austrello wants the same thing They've got the biggest motivation anyone could have love And they've got a riddle to solve **Bound Together** the fourth and final book in the Witch of Endor series takes us to the dimension of Endor to friends old and new and to a climactic ending that might leave Ez without the one thing she wants a life with Alan as a human It's a series unlike any before full of interdimensional travel deceit infinite power and love [Ripped Open](#) Deanndra Hall, 2017-04-17
